Pedestrians Injured as Auto Hits Parked Cars

Vehicle Driven by 14-Year-Old; 6 Hurt In Quad-City Crashes

Twelve traffic accidents have occurred in the Quad-City area since noon Tuesday, including an unusual crash in which the car of an underage driver hit and damaged parked cars and injured two bystanders. There have been six injuries in this week.

Two pedestrians suffered minor injuries as an auto driven by Velma Lee Hand, 14, of 1743 Olive street, struck two parked cars as she made a left turn at West 26th street and Jefferson avenue at 7:40 p.m. Tuesday.

Hurt were Phyllis Mitchell, 20, and Alfred Mitchell, 21, both of 2306 Denver street, who were next to one of the autos. The auto the girl was driving struck the right rear of the parked car of Alfred R. Mitchell, 2008 S. Denver street and the left side of the parked auto of Rudolph Noel, 2308 West 22nd street.

The girl was charged with making an improper left turn and having no driver's license. A passenger in the car, David R. Milton, 1066 Maple street, was injured, with a fractured arm, while the car was driving through a red light at the intersection of 26th and Jefferson.

The accident report showed the boy ran from the front of his home and into the path of the auto. He was taken to St. Elizabeth Hospital where x-rays were taken and he was released. McGee was charged with driving a motor vehicle.

Both were summoned for hearings by July 15. Boy, 5, Hit by Car
Billy R. Dixon, five, son of Mrs. M. R. Dixon, 2302 Lee avenue, escaped with a knot on the back of the head when he was struck by an auto driven by Morris McGee, 2335 Rock road, at 4:20 p.m. Tuesday.

School Board in Venice Approves Fund Transfers

The Venice school district board approved resolutions Tuesday night for transfer of an additional \$25,000 from the district's working capital fund to salaries and claims for July.

School Superintendent John Pier told the board that the educational fund had a balance of only \$417 after payment of June claims and that income from current tax collections was expected only early August.

The board authorized transfer of \$10,000 to the educational fund for salary payments, \$200 to the same fund for payment of claims and \$10,000 to the building fund for salaries and claims.

Later in the meeting, he requested police set up the speed limit of the stop sign had been removed from 4:45 to 5:10 p.m.

The mayor's veto, which was not enough to prevent the ordinance from being passed, was vetoed by the board.

Pier said that he expects to receive about \$50,000 from Reiderberger early in August and approximately \$25,000 the latter part of the month.

Last month the board authorized working cash fund transfers of \$45,000 to the educational fund, \$500 to the bonds and interest fund, \$100 to the district's Title I federal program and \$3400 to the Title I program.

Approve Calendar
The board approved a new school calendar for the 1966-67 year submitted by Pier, providing for the opening of schools in Venice on Aug. 29.

School will be dismissed Friday, Oct. 14, for a teachers' meeting and again on Friday, Oct. 28, for the Madison county institute.

Classes will be dismissed Nov. 11 for Veterans' Day and Nov. 24 and 25 for Thanksgiving.

Break Holiday Vacation
Thursday, Dec. 22, will be the last day of school before the Christmas holiday, with recess on Friday, Dec. 23.

(Continued on page 5, col. 3)

BUMPY NAMEOKI ROAD, south of Ponton road, presents a sharp contrast to the new, super-smooth concrete roadway to the left, which is being eyed with envy by motorists. A spokesman for General Contracting Co. said the new roadway possibly could be opened to traffic for a short distance in a week or two.

Council Fails to Override Mayor's Veto Of Stop Sign; Alderman Blasts Depot Colonel

Replacement of Stops On Niedringhaus Ave.

At a four July fireworks displays were quiet compared to Tuesday night's Granite City council outburst when Mayor Partney—inabstant—lowered the boom on aldermanic action of last week.

The mayor, who is in San Francisco attending a Shriners' convention, fired up the aldermen by vetoing a stop sign ordinance. Strong protests were voiced by Fifth Ward Alderman Basarich, who had requested the stop signs be replaced on Niedringhaus avenue at Poplar street.

Basarich called for the council to override the veto, but was unable to muster sufficient support. The 10-4 vote fell short. Aldermen Boyd and Thompson were absent.

(Continued on page 5, col. 3)

Watch Your Stops

In Depot, Basarich Tells Commander

A letter to the council from Col. Charles S. Schweitzer, commander of the Army Depot, appealing for open traffic movement on Niedringhaus avenue outside the depot infuriated Fifth Ward Alderman Basarich.

The letter was read Tuesday night's council session just after the mayor's message vetoing the stop signs. Basarich had there before he takes off after the city," Basarich commented.

(Continued on page 5, col. 3)

Traffic Commissioners

Outline Control Needs, Review Year's Program

Traffic control accomplishments of the past year and an outline of further needs were reviewed in a report presented to each Granite City alderman at Tuesday night's council session, but the aldermen chose to ignore the 3½-page compilation.

Chairman of the Citizens' Traffic Commission, Dale Arrand, and the members made a special appeal for the council to continue the employment of a professional traffic engineering consultant "to develop an overall control program beneficial to the entire community."

3 to 7% City Worker Pay Hikes Proposed

No Action by Council On Boosts Averaging \$15 to \$40 a Month

Pay increases ranging from 3 to 7% for the city's 134 employees are being studied under two-year wage agreements negotiated by the Personnel Committee.

Tentative proposals for 76 men on the police and fire departments were submitted Tuesday night to Granite City council members by Alderman Fry, acting in behalf of Alderman Boyd.

Discussions of these proposals and also agreements for street department and city office workers may be carried out at a special budget meeting set for 8 p.m. tomorrow.

Attendance at the special meeting is expected to be sparse, as the street department crew and others plan to attend a fly try here at which U. S. Senator Paul Douglas is to be guest.

Breakdown of Proposal
For the 3 to 7% proposal for police and firemen would be 3% for those with 1 to 5 years service, 4% for 5 to 10 years, 6% for 10 to 15 years and 7% for 15 years or more. The raises would be \$17 to \$40 per month.

Representatives of the police and fire departments have agreed to the wage proposals, but talks with representatives of the street department crew and other workers had not been completed by Tuesday, Fry said.

\$20,000 Theft of Metal at Diamond Plating Co. Here

Burglars escaped with industrial metals valued at about \$20,000 in a break-in at the Diamond Plating Co., 2300 Monroe street, it was reported Wednesday.

A thousand gallons of nickel solution used in a plating process, valued at \$1500, was spilled at the scene.

Burglars, who gained entry by breaking two rear windows, removed 100 anode baskets and bags valued at \$2000. They were filled with 18,000 pounds of square nickel chloride.

The material was in vats full of acid which was spilled in the removing process.

George Teller, chief of detectives who is investigating, said a valuable stockpile of nickel chips was on the floor but was not taken.

The burglars must have made one or more trips by truck to remove the material, Teller said. He added that they could have used a valuable stockpile of nickel-plating plant with the intention of establishing a business.

Reports describing the lost anode being distributed to metropolitan area police and to state authorities, Teller said.

Burglary at Tri-M
Burglars broke into the new office addition of Henry Ross, contractor, at the Tri-M Bowl Wednesday night, and then broke into two cigar machines and a pinball machine in the bowling alley, taking an undetermined amount of change, it was reported at 6:55 a.m. today.

The contractor's office was ransacked and there was slight damage to the building. Entry was gained by breaking a 9x12-inch glass pane on the east side of the office.

20 on Steelworkers Stay Off Jobs At GC Steel Co.

Call 1st Witness In Stamps' Trial; State Asks Death

Meeting Held Yesterday Lasts Until 2:30 A.M.; May Meet Again Today

Approximately 200 members of Local 67 of the United Steelworkers of America continued an unauthorized strike at Granite City Steel Co. today, threatening "imminent" layoffs in other departments throughout the plant. The plant employs over 5000 persons.

The wildcat strike went into its second day this morning after a 24-hour fast.

BULLETIN
Back to Work Order Reported

A "back to work" order was reported to have been received by officials of Local 67 of the United Steelworkers of America from J. W. Abel, international president of the union.

Union officials and representatives of Granite City Steel Co. were to meet at 2:30 p.m. this afternoon. The program reportedly instructs workers to return to their jobs and iron out their differences through grievance procedure.

Further told the jury of eleven men and one woman that he saw Stamps, Jones and Bassett scuffling with Lewis M. Paul, a lieutenant on the prison guard staff, in the mess hall of the prison after he heard an explosion around a guard tower.

Paul died instantly of nine stab wounds in the chest and abdomen, and two other guards died a few hours later in Chester hospitals.

Former was the first prosecution witness called in the trial which involves a complex financial procedure. Court attaches said out of the trial will be paid by Sangamon county, which in turn will be reimbursed by Randolph county in which Menard prison is located. A bond of \$100,000 is expected to be reimbursed by the state.

Quad-City Report

Births Rise in June But Six-Month Birthrate Drops

Vital statistics for the month of June in the Quad-City area show a total of 78 births and 39 deaths, according to Granite City Clerk Homer Pendleton, compiler of the birth records.

He told the council the deadline for passage is the July 18 deadline. The birth records show a total of 78 births and 39 deaths, according to Granite City Clerk Homer Pendleton, compiler of the birth records.

After the first six months of 1966, births totaled 444, exceeding the 223 deaths by an almost two-to-one margin. However, the semi-annual record is below 1965, when 514 births were recorded, exceeding deaths by a 2-1 margin.

Although the number of deaths since 1960 has had similar semi-annual totals in the last five years, a definite decline in the years, a definite decline in the years, a definite decline in the years.

Births Rise in June But

Six-Month Birthrate Drops

Quad-City birthrate is evident from the exception of 1965. Six-month totals show that in 1960 there were 638 births, followed by only a slight dip to 624 in 1961. A drop of 48 births occurred in 1962 with a total of 575, but the 1963 mark of 503 represented a 13% decrease. There were 498 births in 1964, the number jumping to 514 in 1965. And, as previously mentioned, the 1966 count of 444 births is the lowest since 1961.

A breakdown of births and deaths, by months for the first six months of 1966 follows:

Jan.—83 births and 43 deaths; Feb.—67 and 35; March—48 and 32; April—44 and 30; May—48 and 33; June—78 and 39.

According to Stidham and union representatives objected to his classification as a supervisor when, Stidham said, would require him to evaluate the jobs of other workers. Under contract specifications he should be classified "for the line of work I know," Stidham claimed. He said a grievance procedure had been taken on the matter.

Company officials Wednesday protested the stoppage in telephone service. Approximately 500 members at Granite City Steel Co. Those who were not on strike last night were working on regular jobs in other plant departments.

Blood Topic of July Red Cross Board Meet

Representatives of the Missouri-Illinois Red Cross Blood Center will attend a monthly meeting of the local Red Cross chapter Tuesday, July 12, at the first Granite City National Bank.

Jan. Abner, chapter chairman, said blood programs will be discussed during the meeting, which is being described as an important session in the notifications to board members.

Majority Favors Transfers
The construction officials stated a majority of the employees have signed authorization cards for Local 672 to serve as bargaining agent.

A 30-day appointment for Marvin Klinefelter, 42, of 2140 Prospect street, as a sewage treatment plant operator with a salary of \$200 a month was presented to the council and no vote was required.

1167 Traffic Crashes in Quad-City Area Kill 17 Persons, Injure 677 in 6 Months

A six-month study of traffic accidents in and near the Quad-City shows serious increases in all three categories of statistics which are kept by the Press-Record staff.

For 1966, the six-month traffic crash total is 1167, up 56 over the same period in 1965; injuries number 677, an increase of 168, and fatalities total 17, up one. Within the six-month figures show staggering increases in accidents and injuries and a slight increase in fatalities, law no deaths in the Quad-City.

In June 1965, the totals were 171 accidents with 98 injuries and no deaths. In 1966, the totals were 167 accidents with 108 injuries and five deaths including three in May, one in June, one in July, and one in August.

GC Police Get Authority To Buy New Police Dog

Authority was given the Granite City police department to spend \$600 of the funds for training a patrolman for the canine patrol and for the purchase and training of a new dog.

Chief Willard said the new canine patrolman is expected to be named within the next few days. The department is replacing the dog that had been handled by former patrolman Frank Harris, who resigned after an unsuccessful try for sheriff nomination in the June 14 primary.

It was explained that it would be easier to get a new dog, rather than retrain the present animal.

The officer and new dog will be trained by Canine Security Co. near Edwardsville. The city expects a \$200 trade-in on the present animal. Granite City has two police dogs.

Turn Down Convention

Council members failed to give approval for a \$300 expense allowance for Chief of Detectives George Teller to attend the International convention of the Identification Association, to be held July 17-21 at Winston-Salem, N.C. Alderman Nann noted the allowance was more than given individual aldermen to attend Illinois Municipal League conventions.

Alderman Whitmer, police committee chairman, said Chief Teller was taking his vacation to coincide with the convention and was willing to devote five days to attendance. He pointed out the expense was included in the police budget. The vote was 8-5-4, with the motion failing to get the required nine votes for an expenditure of funds.

Traffic Enforcements

Requests made by aldermen for the police department were: To enforce one-way traffic restrictions on Maple street.

To operate the radar speed timer on Wedgethous avenue between 4-45 and 5-10 p.m. daily for a period of time.

To enforce weight restrictions in the 2400 and 2500 blocks of Adams street.

To enforce speed laws along 27th street in the vicinity of Wilson Park and also on adjacent streets.

To require delivery trucks to deposit coins in parking meters in the business district.

City Atty's Allen was asked to determine what measures are needed to aid a service station operator who worked with the city in removing old autos from city streets and has them stored on his property in the business district.

City Fills In 'No-Where' Gaps With Annexation

Granite City may have a few more "holes" of unincorporated areas within its boundaries, but three were "plugged" with council adoption of an annexation ordinance Tuesday night.

Council members were told several weeks ago that there are three or four or more areas completely surrounded by the city that are not a part of the city because of subdivision annexation oversights.

The three areas annexed Tuesday contain a total of about eight to 10 acres and are in widely scattered sections of the growing Nameoki area. Some are developed; some are not.

Another Along Edgewood

Sixth Ward Alderman Parmley, who requested the three annexations, said there is a fourth area to be looked into on the edge of Edgewood drive between Willow and Emert avenues.

The areas annexed Tuesday include a 6.14-acre tract in the Dream Villa area east of Washburn avenue and north of Villa drive, bordering on Shamrock Gardens; a tract in Glenview Addition 4 south of St. Clair avenue and east of Ash avenue, measuring 303x289 feet; and a tract on the south side of Pontoon road between Maryville road and Stearns avenue with a frontage of 210 feet and depth of 287 feet.

Annexation of the three tracts was opposed only by Alderman Nann, who was serving as presiding officer in the absence of Mayor Partney.

Nann remarked that the city was having problems in providing services to areas now properly a part of the city, and that these areas could provide only added problems.

New Milk Price Orders Recommended by U. S.

Milk prices are going up about three cents a half gallon this week in Quad-City and metropolitan area stores as the U. S. Department of Agriculture raised the minimum prices paid to dairy farmers.

Prices will vary here, however, as stores in Illinois are permitted to sell milk under cost. The sale price at one Granite City store was four half gallons for \$1.

The new minimum for class I milk paid to producers will be \$5.30 a hundredweight for the rest of July. It is the highest guarantee since 1952, a USDA spokesman said.

Jon Dressel, president of Aro-Dressel Foods Inc. here, said there is no guarantee that there will not be more increases on Aug. 1 and Sept. 1. He added that it is unusual for the USDA to change the minimum price at a time other than April 1.

Dressel pointed to a shortage of milk and dairy products as some dairy producers are either leaving the farms or switching to raising beef cattle which currently commands high prices. The increase was aimed to encourage farmers to continue in the dairy business.

The price of milk delivered to homes also is expected to be increased, spokesmen for several large dairies said.

Milk in St. Louis stores now is being sold at 28 cents a quart, a two-cent increase. 32 cents a half gallon, a three-cent increase; and 97 cents a gallon, a six-cent increase. However, a Missouri law prohibits the sale of milk by chain stores under cost.

The USDA issued a new federal milk marketing order to regulate milk handling in central Illinois and to expand the suburban St. Louis area to include a number of additional Illinois counties.

The suburban St. Louis area was renamed the Southern Illinois order, with its area expanded to include 48 contiguous counties, divided into three pricing zones.

Counties in the base, or central zone, included Madison county. More than two million persons live in the Illinois.

MORE ABOUT

Watch Stops

closely than had been done in the past and to continue driver vigilance, particularly so for the elderly and the very young in Lincoln Place.

"To the best of my knowledge, there have been no traffic accidents since then directly caused by depot people, who I believe presently constitute the majority of users of this six city-block area."

"By means of this letter, I am taking the liberty of speaking for the hundreds of Depot civilian employees concerned in this problem of stop signs. However, I speak from personal experience as a representative of the 73 military families who are residents on the Depot and of the greater number of officers and enlisted men whose families are unable to be with them for one reason or another at this station in their Army careers."

"We who live on the Depot itself have certainly appreciated the welcome ride of the express, stopping-and-go driving to reach downtown Granite City during these 8½ months."

Shopping Pattern

"I feel many Depot families have changed their buying pattern from St. Louis to Granite City because the stop signs were removed. And we are deeply concerned that there is a possibility that the former traffic irritant will be resumed."

"Gentlemen, as you well know, experts in the field of traffic control have long advocated that stop signs are not a safety value."

"These experts are also very much aware that drivers who are repeatedly required to use certain routes soon develop driving habits to avoid areas with an over-abundance of unjustified stop signs, or these drivers become calloused to the point of paying only token observance to or ignoring the stop signs altogether."

"We here in Granite City watched one stop sign lead to another and then to another, and the trickle of stop signs soon became a nightmarish deluge. Please don't let this happen again on Niedringhaus avenue."

Community Resources

Students Tour Bank

Members of the Community Resources Class being held at Emerson school for fourth, fifth and sixth graders, toured the First Granite City National Bank, it was reported today by the instructor, Gus Falter.

The students are visiting various establishments in the city to introduce them to business methods and operations. The class is held from 9 a.m. until noon on weekdays.

—GO TO CHURCH SUNDAY—

Levee Dist. Cuts Force As Funds Dwindle

Anticipation Debt at \$450,000; St. Clair Tax Collection Late Again

Admitting that the East Side Levee and Sanitary District is "hard hit" by a shortage of funds, board trustees, meeting in regular session yesterday authorized the sale of another \$30,000 worth of anticipation warrants and said the normal work force will be reduced as much as possible during this month.

At the same time the board approved a June payroll totaling \$45,000 and June expenditures of \$34,638.

Ben Campbell, chief clerk for the levee district board, said authorization of the \$30,000 anticipation bond to be sold this year under the limit of \$500,000 set by the board when the district began its fiscal year Jan. 1.

In addition, he said, the district has about \$50,000 in available funds from other sources. With the \$30,000 in anticipation funds, this gives the district approximately \$110,000 with which to operate throughout July.

Local Tax Money Expected

Campbell said he expects the district will receive a share of its tax money from the Quad-City area of the district in early August. Shortly thereafter, St. Clair county should be well into its tax collections with a distribution of levee district taxes probable in the latter part of August.

St. Clair county tax collections have not yet begun, while collectors in the Quad-City area of Granite City, Venice, Nemo and Chouteau townships are due to wind up their collection periods within the next two weeks.

Campbell said he did not know the extent to which the levee district payroll will be cut, but pointed out that it will lay off all non-union members first. This means, he said, that union crews will have to take on a greater load of work.

Explains Charge System

Ben R. Day, administrator of the Lansdowne sewage disposal program in which Madison and Venice residents, as well as those in other communities using the system, explained the method of collection of rental fees which got under way last month.

The explanation was given in response to questions by Trustee William Ebersold, who said that the land to the Port District in several errors in billing had occurred. Ebersold said he had re-

Charles Flowers Death

Caued by Hemorrhage

Death of Charles G. Flowers, 51, of 2829 Herbert street on July 3 was attributed to an acute gastric hemorrhage at an inquest conducted Tuesday by Deputy Coroner Robert Thomas.

Mr. Flowers was stricken at his home and collapsed later on the street near his home while apparently attempting to seek help. He was pronounced dead upon being taken to St. Elizabeth Hospital. Funeral services and burial took place this week in Kansas.

ceived complaints that bills were being by several residents who do not have sewers or are now hooked into a sewer line.

Day pointed out that in the process of getting out the first bill, it is possible some errors may have occurred because it is impossible to determine in some locations whether property is attached to a sewer line. He explained, the ordinance governing rates and collections provides that a person without sewers required to pay if his property is within 100 yards of an available sewer line.

Day asked that any person who receives a bill, and who has property with out sewer connections, contact his office so that the property location can be double-checked and legality of the rental charge verified.

Ebersold suggested that the board look into the possibility of renting some of its idle equipment as an added form of revenue. Harry Hartman, board attorney, said he would check the legality of such a practice, but that he believed it would be illegal to rent or lease a tax agency's equipment to private interests.

Ebersold Presides

The district board, over which Ebersold presided as acting chairman in the absence of President Lawrence Tolar, also authorized payment of three claims for work on the Lansdowne sewage treatment plant.

These included payment of \$120,753 to the Keeley Brothers Contracting Co. of East St. Louis for labor and materials, \$13,392 to the Collinsville Construction Co. for labor and materials, and \$3,413 to Horner & Shiffin engineering firm for surveys, inspections and engineering work.

An ordinance authorizing the levee district to deed over to the Tri-City Regional Port District a one-mile stretch of the old levee east of the Chain of Rocks Canal was approved by the board.

The transaction, involving a gift of the land to the Port District, was sanctioned by the board a month ago but was not officially consummated until passage of the ordinance yesterday. The ordinance provides for deed of the land to the Port District in several errors in billing had occurred. Ebersold said he had re-

MEDICAL RECORD DATA is explained to Miss Jackie Lee (right), St. Louis University student resident, by Miss Maureen Geraghty, St. Elizabeth Hospital's medical librarian.

Two Youths Injured In Firecracker Accidents

Marvin Dufner, 12, son of Mrs. Nick Nuenzinger, 2022 Cleveland blvd., injured his left hand when a firecracker exploded at 7:55 p.m. Tuesday in a restroom of the Washington theater. The boy, who spotted another youth putting a lighted firecracker in a sand as a tray, attempted to cover it with the sand when it exploded.

The service was instituted at the hospital last January. It aids the doctors in assuring that the patient gets the highest caliber of medical treatment available. Miss Maureen Geraghty, medical librarian at the hospital and a 1964 graduate of St. Louis University, is teaching Miss Lee the procedures.

Conduct Lodge Business

Junior Governor George W. Lipscomb and Prelate Lawrence Knipping, representatives of Moose Lodge 272, are in Mooseheim, Ill. today on lodge business.

Common sense and a sense of humor always pay dividends.

Aldermen Override Rezoning Denial For Garage Apt.

Of the four zoning change denials ruled last week by the City Plan Commission, three were upheld Tuesday night by Granite City council members who also voted to override a fourth denial.

Granted permission for a change from R-3 single-family dwelling to R-5 multiple family zoning for an apartment above a garage at 2290 Denar avenue were Walter and Rose Whitaker. Construction of the new garage and an apartment was started on the authority of an unidentified city representative and then was halted pending the hearing on a required zoning change.

Represented by Lawyer

The couple was represented before the council by George Filcoff, lawyer, who pointed out there were no objections at the hearing last Thursday afternoon and that there are other apartments and dwelling units above garages in the neighborhood. He added that it also was a hardship case, as the family wanted relatives to live in the apartment because of illness.

City Plan commissioners had denied the zone change since the dwelling at the front was duplex and was non-conforming. Filcoff told council members that the Whitakers had gone to considerable expense to buy materials and start construction. Several aldermen tried to learn who had given the original go-ahead, but Alderman Norn, who was presiding in the absence of Mayor Partney, refused to comply with the request. "You'll have to wait until the mayor gets back," he commented.

"Swallow Our Mistakes"

Other aldermen commented that since a mistake had been made, even though the Whitakers were seeking a change for spot zoning, the denial should be thrown out since the family had been authorized to proceed. "We have to swallow our mistakes once in a while," Alderman Dalas remarked.

In the discussion, Alderman Green said the council

Parents of Son

Mr. and Mrs. Terrel Johnson, 3834 Lake street, are parents of a son born this morning at St. Elizabeth Hospital. The infant weighed seven pounds, seven ounces. His name has not been selected.

should take up such requests on an individual basis and study the circumstances in each case. Alderman Rutledge pointed out the plan commission has Theodore Miksell of the Southwestern Illinois Metropolitan Area Plan Commission inspect the area and that he had suggested the change not be made.

Engineers as Tie Gods

"We can't let these engineers set themselves up as tie gods. We're elected and we've got to follow the wishes of the people," Alderman Basarich told the council.

The Plan Commission zone change denials that were upheld by the council were—

A C-1 commercial classification for a tract at Pontoon road and Stearns avenue for a hardware store in an area now zoned residential, sought by Morris Investment Co. for Ace Hardware.

A C-1 zoning from residential for a doctor's office at 2000 Poston road, sought by Carolyn and George Stearns.

An R-4 zoning for six lots on Yale drive in Luaders Park Estates subdivision for duplex dwellings, requested by Leo and Sara Wolf.

Referred to the Plan Commission was a request from Bernard Royce for an R-3 multiple dwelling classification for two lots in Community Heights subdivision at Wilson and Warren avenues. The lots presently are zoned R-3 for single family dwellings.

Granite City PRESS-RECORD

Thurs., July 7, 1966 Page 3

Col. Schweizer Named To SIU Foundation Post

Official announcement was made yesterday at Carbondale that Col. Charles B. Schweizer, the retiring commander of the Granite City Army Depot, has been appointed assistant director of the Southern Illinois University Foundation for the Southwestern Campus.

Kenneth R. Miller, executive director of the Foundation, said Schweizer has been named to supervise activities and programs of the Foundation in the new campus and surrounding areas.

Schweizer, who has commanded the Granite City Army Depot since August 1964, will assume his new duties Aug. 1.

A registered professional engineer with military service dating to 1938, Schweizer has a bachelor of science degree from Louisiana State University at Baton Rouge and a master of science degree in engineering from the University of California, Berkeley. He has worked toward a master's degree in International Relations in Washington, D.C., and has attended military colleges, institutes, short courses, and seminars.

Before taking over command of the local facility, Schweizer was chief engineer and later deputy chief of staff of the U.S. Army Communications Zone in Europe from 1961 to 1964.

From 1957 to 1961 he was district engineer of the U.S. Army Corps of Engineers at St. Louis.

Trades Council Endorses Maeras

Delegates to the Tri-City Trades & Labor Council voted last night to write letters to County Democratic Chairman Walter Simmons of Venice and the county Democratic committee, endorsing John Maeras, of Madison as nominee for county treasurer in the November general election.

Edwin Reiske, council president, said the letters are being prepared. Maeras was defeated in the primary June 14 by Stephen B. Kennedy of Alton who died last Thursday.

The trades council election of officers will be held at the July 20 meeting.

Vandals Damage Auto

John E. Nelson, 413 Selb street, Venice, reported to Venice police Tuesday night that vandals had damaged his auto by punching a hole in the oil pan with a punch or screwdriver. Nelson said he did not know when or where the vandalism occurred.

Lone Survivor of Crash Recuperating Nicely

Little 12-year-old Gloria Henderson, whose parents, sister, brother and grandmother were killed in a collision east of Blytheville, Ark., on Interstate Route 55 Sunday morning, is improving at Millington Naval Hospital near Memphis, Tenn.

Authorities of the Granite City Army Depot, where the girl's father, M/Sgt. Norris E. Henderson, 37, was stationed, are keeping in touch with relatives who live near the hospital and are looking after the girl.

Her legs remain in casts for fractures suffered in the crash, but otherwise she is recovering from internal injuries and bruises.

The family was returning to the local depot after a holiday visit with relatives in Ruleville, Miss.

In the crash in which a pickup truck hit another car, then crashed head-on into the Henderson car, those killed were Sgt. Henderson, his wife, Mary Rose, 36; another daughter, Wanda, six; a son, Norris E. Jr., three years old, and Mrs. Henderson's mother, Mrs. E. E. Story, 61, of Ruleville. Also killed was Ronnie Layton, 21, of Dexter, Mo., a passenger in the truck.

GC Tax Payments Reach \$857,407

Granite City township tax collector E. R. "Pat" Rich said today that collection has hits 19% on the 1965 taxbill of \$6,680,526. Collections thus far total \$857,407. According to Rich, \$712,554 has been tallied for real estate taxes, while \$144,853 shows the personal property bill count. Payments may be made Monday through Friday at the city hall.

City Sued for \$25,000

Over Mishap at Signal

Mrs. Martha E. Hammel, 3024 Dale avenue, has filed suit for \$25,000 against the city of Granite City and Mrs. Carole S. Boyer, 4105 Braden avenue, as the result of a two-car accident last April 14 at 27th street and Madison avenue.

The complainant alleges that traffic signals at the intersection were defective, causing an accident in which Mrs. Hammel was injured. Negligence was charged in that the city failed to repair the signals and that Mrs. Boyer failed to yield the right-of-way.

Madison Sergeant With Helicopter Ambulance Unit

An outstanding example of medical evacuation helicopter support units in Vietnam is the 17th Aviation Company (Ambulance), which has supported the 101st Airborne Division continuously since last August.

Army Sgt. Arthur Cobb, whose parents, Mr. and Mrs. Joseph L. Cobb, live at 1503 Third Street, Madison, is a gunner with the veteran unit.

Following Operation Hawthorne (June 3-20), a 101st Division battalion commander addressed members of the unit and said: "You are now part of our unit. In every battle and every mission, our victory is your victory."

Recounting the company's achievements, the colonel added: "Your accomplishments have been totally remarkable." In the two weeks of Operation Hawthorne alone, crewmen of the unit conducted 11 combat air assaults with 101st troopers; flew a total of 586 combat hours; and flew 3321 individual sorties, night and day.

The company airlifted 3021 troopers in combat flights and transported a total of 115,200 pounds of cargo. Fifty personnel performed hazardous medical evacuations, emergency resupply, and conducted close air fire support for the infantry.

Included in the aircraft flown by the unit are the UH-1D utility and armed aerial assault helicopters.

Sgt. Cobb entered the Army in 1963 and completed basic training at Fort Knox, Ky., and attended Madison high school.

Reports 3 Break-In Attempts In 3 Weeks

Mrs. Marie Kirchner, 2232 East 24th street, reported to police this week that three attempts have been made to enter her home at a basement window in the past three weeks.

Three days ago at 11 p.m., she suffered facial bruises when she was awakened by a noise and fell as she jumped out of bed. Mrs. Kirchner said a neighbor also had heard the noise and saw a man at a basement window. He ran from the yard toward the alley.

Sewer Vote, Access Streets Urged by Chamber Directors

Sewer and traffic improvements in Granite City were the principal topics at Tuesday night's monthly dinner meeting of the Tri-Cities Chamber of Commerce board, which took a stand on both subjects.

Granite City is said "in the running" for a 1966-67 fiscal year federal-sewer construction grant despite passage of a June 30 deadline, a discussion brought Southern railroad. A rival pursuit. The cutoff date was waived due to a delay in filing of certifications to the Housing and Urban Development Department by the Waste Water Board in Chicago.

Granite City has been certified as a contender for some of the Congressional sewer appropriation and expects to be notified during July or August. It also is eligible for later federal tax aid from 1966-67 funds.

The Chamber is urging that preliminary steps be taken locally to prepare for a referendum to provide matching funds. The law permits up to 40% federal aid for municipalities like Granite City.

Street Extensions Proposed
Chamber directors voted Tuesday to submit to the city council a comprehensive plan for Granite City access streets, prepared by the Transportation and Highway Committee.

Slight revisions are to be made before submission, based on the suggestions of Chamber members.

Major recommendations include Federal Aid Route 151; railroad grade separations at Patton road and either Newdringhaus avenue or 20th street; extension of both Wabash avenue and Maryville road to Highway 162; development of a new road side.

Howlett Needs Picture Of First State Auditor

Michael J. Howlett, state Auditor of Public Accounts, needs a photograph, drawing or other likeness of Elijah Berry, the first state Auditor of Illinois.

Howlett is writing a book about the 24 men who have served as Illinois' chief accountants since Illinois became a state. He has pictures of 23, but so far he has been unable to dig up a picture of Auditor Berry.

Berry was the territorial auditor before Illinois was admitted to the Union. After Illinois became a state, he was commissioned the first Auditor of Public Accounts on April 6, 1818.

Woman in Mishap Today Faces Traffic Charge

A bread truck obscured a stop sign on 20th and State streets, told police, causing her to enter intersection and strike the left rear of an auto driven by Frederick L. Hacke, 2013 Lindell blvd., at 7:40 a.m. today.

The Hacke auto spun around and struck the rear of another vehicle, owned by Larry Hallow, 2777 Iowa street, parked in front of his home. The woman was charged with a right-of-way violation and was summoned for a hearing by July 27.

Police Motorcycle Hit

A police motorcycle driven by Joseph Kasticic Jr., 1529 Dodge street, was damaged when an auto driven by Al Wilhelm, Rural Route One, backed into the front of the cycle Wednesday morning at 20th street and Madison avenue. Both had stopped for a traffic light. Wilhelm was charged with improper backing and was summoned for a hearing by Aug. 1.

Favor Cotton Belt Railroad

The board voted to support the Cotton Belt and Southern Pacific railroads' plan to buy the Alton railroad, a discussion brought Southern railroad. A rival pursuit. The cutoff date was waived due to a delay in filing of certifications to the Housing and Urban Development Department by the Waste Water Board in Chicago.

The board also discussed hopes of broadening Quid City blood contributions, increasing election turnout, co-sponsoring a solicitation control program and free enterprise course, encouraging year-around "clean up, fix up" projects, conducting general membership meeting in August, touring St. Elizabeth Hospital in August and sponsoring another tour of area farms. Letters to legislators were urged.

Chester Baker, Harold R. Fischer, N. R. Brink, Howard Kaseberg, and William Koyat were appointed to a committee to nominate new Chamber director. Barry Loman, Frank Res. Charles Gavin, Arthur Koepfer and Fred Williams were the election judges.

Jiffy Car Wash (Harold Major and Phillip McGovern), Pontoon Plaza Development Corp. (Leo Wolf) and Dr. George T. Wilkins Jr. were accepted as Chamber members. Bill H. Terrell, Kenneth "Pat" Morrison and John Newlin were welcomed to the board.

Manager Ferd C. Goewert reported on his participation in the Chamber executive council meeting of nine annual sessions, at Michigan State University.

President Carl E. Mathias presided.

MORE ABOUT Pedestrians

With inadequate brakes and was summoned for a hearing by July 27.

The boy was the third pedestrian to be struck by an auto in two months in the Lee avenue block, scene of numerous accidents as it is used as a major artery by industrial workers.

Three Youths Injured

Three youths were injured when autos driven by Walter A. Phillips, 17, of 2314 Delmar avenue, and Dan Miller, 17, of 2150 Delmar avenue, were in an accident at 9:50 p.m. Wednesday on Rock road 1½ miles north of Granite City.

Miller was admitted to St. Elizabeth Hospital where he was taken by a passerby. He suffered injury to his back and stomach. Two passengers in the Phillips auto were treated at the hospital and released. They are Julie McClanahan, 16, of 2722 Harding blvd., who complained of dizziness, and Walter Boyd, 18, of 2446 Delmar avenue, who complained of head and neck pains.

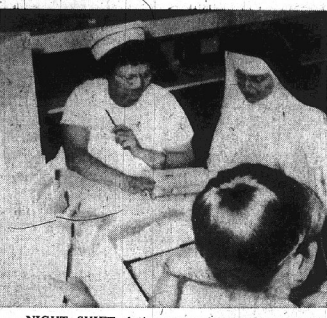

The county sheriff's office said Phillips had applied his brakes and his car was struck in the rear.

Report Minor Accident

Autos driven by William L. Schenbaum, Collinsville, and Dorothy J. Godrich, 3116 Wilcox avenue, were involved in a minor accident at 1 p.m. Wednesday at Niedringhaus avenue and State street.

Stop Sign Charge Filed

William G. Seka, 1402 Washington avenue, was arrested on a stop sign charge at 22nd and Benton streets at 4:10 p.m. Wednesday. He was summoned for a hearing by July 15.

NIGHT SHIFT duties are pointed out to Sister Philomena by Mrs. Anna Hill, R.N., night supervisor.

Sister Philomena Sees Night Shift in Action

St. Elizabeth Hospital compares uniquely to many other industries and businesses when one of the hospital's night shift workers is seen in action.

Sister Philomena, who has completed most of her studies at St. Louis University and now is in nursing at the local hospital, was seen in action at the hospital.

Mrs. Anna Hill, R.N., the night supervisor, accompanied Sister Philomena on her night rounds of the hospital's night shift nursing units and departments.

During these seemingly quiet hours, 11 to 7, when most patients are resting, Sister Philomena was introduced to the various responsibilities of the night shift which must maintain a constant watch and control over the continual operations of the hospital.

Parked Auto Damaged

Carol Welford, 2323 Sheridan avenue, reported at 2:35 p.m. Wednesday that the left rear of her auto was damaged while it was parked on the parking lot at the new post office.

Spore Tire Stolen

Mrs. Marilyn Parker, 9 Bruce street, State Park Place, reported that a new spare tire valued at \$30 was stolen from the trunk of her auto between Friday and Tuesday. She said the trunk was locked and the lock was undamaged.

"Double-O" on Speedway Card Saturday Night

A 20-lap "Double-O" race highlights this Saturday night's Tri-City Speedway Super-modified and hobby car program.

The card, with time trials set for 7:30 p.m., and races at 8 p.m., remind fans of the June 19 excitement when the track ran its first "Double-O."

Charles Gettemeyer of St. Charles flipped over on the back stretch as he clipped off a 90-mile portion pace and sustained a minor shoulder injury. He will be back this weekend.

Also among the expected 20 hobby car drivers in for the event are: St. Louisian Clyde Underman, Sonny Burke of St. Charles, who won the "Double-O" last time, Alton's Bobby Stanton and Gary Greer, Louis Jansen of Bethalto and Leon Dickey of Granite City.

The 110 Off Midgate program that was postponed June 12 because of rain comes up July 17. Tri-City Speedway officials are expecting a number of Indianapolis 500 stars for this program.

Granite City PRESS-RECORD

Paddler Pool Opening To Feature Swim Meet

The junior varsity swim team from Webster Groves, Mo., will be in Granite City this Sunday to meet the Paddlers swim team in a dual meet. The event, scheduled to begin at 5 p.m. at the local pool, will climax a day of celebration which begins at 1:30 p.m. with Mayor Donald Partney cutting a red ribbon stretched across the expanse of the recently completed second pool.

Also included in the ceremonies will be a Boy Scout color guard and the presentation of flags representing each of the teams which the Paddlers meet in water competition.

Keith Parker, pool manager, will be master of ceremonies. He will introduce Mayor Partney and Francis McBride, one of the founders of the pool and president of the board of directors.

Immediately following the ceremony, both pools will be open for free swimming for members and their guests from 2:30 until 4:30 p.m.

Free balloons and soda will be given away during the day, followed by award of prizes for the

younger set in the evening.

During the swim meet members and guests wishing to swim may do so. Both pools will be in operation until 9 p.m.

Other Improvements

Along with the new olympic size swimming pool, the private swim club has also improved its parking and traffic facilities, enlarged its bath house and concession stand, and fenced the entire area.

Next year's plans call for building two tennis courts and improvement of a picnic area behind the two pools. With this expansion program, an additional 50 memberships in the private swim club became available, 30 of which have already been sold.

The board of directors of Paddlers Swim Club met Tuesday night at the Rose Bowl restaurant to discuss final plans for the club's new pool expansion program and dedication ceremonies.

President McBride received reports from pool expansion committee members Al Malotki, Mickey Loftus and Louis Blason on the most recent developments of the newly completed pool. Its interior is to be completely painted and filled in time for the dedication ceremony Sunday. Bathhouse and fencing facilities are still incomplete.

FINAL PLASTER COATING is put on new Paddler Swim Club pool as board member Malotki (left) and pool manager Keith Parker look on. The club's first pool is in the background.

PRESS-RECORD SPORTS

Eight Games This Sunday

Park Slow Pitch Tourney Resumes

The Granite City park district's American Softball Association Slow Pitch Regional Tournament resumes this Sunday, with eight games slated. Five first-round and three quarter-final contests were played June 26; seven more games will be played here July 16-17.

Finals in the regional here will be played July 24. The action switches to Caseyville July 30-Aug. 6. National tournament action is planned Sept. 2-6 in Parma, Ohio.

This Sunday's action involves one remaining quarter-final game, two winner's bracket

semifinal tilts and five loser's bracket contests:

WINNER'S BRACKET
QUARTERFINAL
Game 9
Rozekki Realty vs. Mexican Honorary, 1 p.m.
LOSER'S BRACKET
Game 10
Keith's Lounge vs. Waterloo, 2 p.m.
Game 11
Sammy's Tavern vs. Falstaff, 3 p.m.
Game 12
Local 50 vs. Club Delmar, 4 p.m.
Game 13
Zip's vs. Game 9 loser, 6 p.m.
Game 14
Liberty Home vs. Game 10 winner, 7 p.m.

Lots of Runs for Girl Softballers

Quadrant City girls' softball teams have had no trouble scoring runs lately, it seems. In Wilson Park girls' league action last night, the Missits beat Seabold County 12-0. Each team had a home run, Myrna Schofield for the Missits and Joyce Wyatt for the losers.

I other games, Mitchell suffered an 18-15 loss at Jerseyville Tuesday night in Macoupin-Jerseyville Girls' League play, and Venice-Cahokia pounded winless Belleville 25-11 at Belleville last night in the Twilight League.

Two Buses for Benefit Pro Football Game

For the fourth year, the Granite City park district is sponsoring a trip to the Aug. 6 Cardinal Glennon benefit professional football game. This year it will be in the new Busch Memorial Stadium.

Tickets are \$3, and bus fare \$1. The park district has 100 tickets to be sold by Aug. 1 and will have two buses making the trip. This year's game features the Atlanta Falcons, newest addition to the National Football League.

Hitters Busy In Quad-City Church Games

Good Shepherd EUB unleashed its home run hitters to down Nameeks Methodist 14-10 in Quad-City Church League action at Wilson school Tuesday evening.

Dick Dawdy, Felix Burke, Harold Smith and Gary Portell each had single run-drivers and Terry Casey homered twice for EUB. Steve Leech and Harold Davis hit homers for the losers.

At Lake school, Third Baptist hammered out a 24-15 win over Suburban Baptist. Larry Moore and Bob Short were each 4-for-5 in Third Baptist's 25-hit attack that included three homers.

Charles Jones was 5-for-5 and Jim Blaylock and Bob Yeager 4-for-5 in Suburban Baptist's loss.

HOW LUCKY IS 13? Belleville Hilgard Coach Barney Esler may be pondering this today. His unbeaten Legion team was doing all right at Wilson Park last night until reliever Tom Stitch, another bearer of No. 13, came in for Post 113 (13 again!). Belleville lost 7-4.

Legion Post Defeats Unbeaten Belleville

Belleville's Hilgards were burning up the 22nd District American Legion race until they invaded Wilson Park last night. Saturday for an 8 p.m. game. Then a fired-up Post 113 team gave them their first taste of defeat, sending them home 7-4 losers.

For four innings the game was closely fought. Post 113 led until the fourth, on Charles Collins' first-inning sacrifice scoring Harold Vick. The visitors went ahead in the fourth on a walk, hit batsman and wild pitch, followed by Rick Wicks' double off Mike Shambro.

Jim Rains and Bill Grabbe scored the tying run on a grounder off Bill Evans' bat. Bennett's crew exploded. Collins homered, Larry Ripka and Larry Johnson singled. Jim Hackney walked. And then Jim Rains unleashed a grand slam.

Belleville scored two in their seventh off reliever Tom Stitch but were no more successful than against Shambro who allowed only two hits in his four innings and struck out seven. Stitch allowed one hit, walked three and fanned six.

Post 113 is now 12-3 in league play, and 16-3 overall. It will host

Paddlers Swimmers Down T&C 334-190

The Paddlers swim club scored an impressive 334-190 victory over Town & Country swimmers in a meet yesterday at Collinsville. Two records were broken, by Eric Cunningham and Annie Bickhaus in their 100-meter individual medley races.

Cunningham, swimming in the 11-12 age bracket, broke the standard set by Scott Loftus only last week with a 1:28.2 time, six tenths of a second better. Miss Bickhaus, an 11-12 swimmer competing in the 13-14 group, set a record of 1:23.3, compared to the former 1:23.3 by Mary Ellen Dunn.

Town and Country divers outscored the Paddlers 31-20, while the Granite City swimmers dominated the relay.

charged that the East St. Louis squad juggled its lineup.

As a result of this, and last week's games, the standings now are: North-Belleville Moose 8-1, Venice Mets 4-5, East St. Louis Bluejays 4-5 and Madison Dies 3-6; South-East St. Louis VFW 9-0 and Granite City Steel Credit Union 7-2; East St. Louis Hawks 0-8 and East St. Louis Lancers, 0-8.

Special Resolution Honors Dr. Wiesman

Mrs. Esther Wiesman, wife of the late Dr. Irvin Wiesman, a prominent Granite City physician, was presented a Memorial Resolution this week by the St. Elizabeth Hospital Lay Advisory Board.

Alfred C. Stoeber, chairman of the Lay Advisory Board, made the presentation to Mrs. Wiesman. Attending the occasion were Sister Mary Thomas, administrator for St. Elizabeth, the late doctor's son, Gary, and daughter, Mrs. Jacquelyn Schneider. His eldest son, Magistrate Judge Melvyn Wiesman of the St. Louis county courts, could not be present.

The resolution reads in part: "Whereas, Dr. Irvin Wiesman, during his lifetime, served the Tri-Cities Area in the general practice, surgery and pediatrics and was a member of numerous organizations, both professional and civic, including the American Medical Association, the Tri-Cities Medical Society, the Madison County Medical Society, the International College of Surgery, the Tri-Cities Chamber of Commerce, Granite City Rotary Club, Shriners, Elks Club, Masonic Order, and

Whereas, the late Dr. Irvin Wiesman was not only a dedicated practitioner but also one of the most public-spirited men in our community, be it resolved that the memory of the late Dr. Irvin Wiesman be commemorated in this Memorial Resolution."

Jubilee Crownbearer Crownbearer pictured on the Madison diamond jubilee queen float Tuesday was Carolyn Warhol, instead of Carolyn Thebeau.

Vacation trips always cost more than the first estimate.

COMMEMORATIVE RESOLUTION is presented to Mrs. Esther Wiesman by Alfred C. Stoeber, chairman of St. Elizabeth Hospital's Lay Advisory Board. Also looking on are Sister Mary Thomas, superintendent of the hospital, and the late Dr. Wiesman's son, Gary, and daughter, Mrs. Jacquelyn Schneider. Dr. Wiesman's eldest son, Judge Melvyn Wiesman of the St. Louis county courts, was unable to attend the presentation.

Saltich Named District Deputy of K. of C.'s

Steve Saltich, 2972 Washington avenue, received an appointment as district deputy of the Knights of Columbus Wednesday from Marco Distefano of Chicago, state deputy. He succeeds Robert Wehling of Edwardsville. He will have jurisdiction over the Edwardsville, Collinsville, Highland and Tri-Cities councils and will attend his first state meeting of district deputies this weekend in Champaign. Saltich, superintendent of machine shops at the Shell Oil Co., refinery, is president of the Columbus Home Association, holder of property for the K. of C. council here, and is a past grand knight. He is a member of Sacred Heart Church.

STEVE SALTICH

Replacement

but Allen ruled the veto message was proper if presented at the next regular council session following the action by the mayor.

In determining the time lapse, Clerk Pendleton said he had sent the ordinance to the mayor last Thursday following its adoption the preceding Monday and that he had received the veto message from the mayor's office on Tuesdays.

Roar Like Fire Engines During the delay, while Police Chief Willard went looking for the city attorney, Basarich pointed out that depot traffic near along Niedringhaus avenue like fire engines.

Basarich was given support by Alderman Nomm, who was the presiding officer for Tuesday night's session. Nomm stressed the need for the stop sign to protect youngsters and old people attending activities at the nearby Community Center and Baptist Mission.

Voting to override the veto were Aldermen Nomm, Whitmer, Basarich, Bartosik, Johnson, Dallas, Moerlen, Robertson, Poulos and Green. Against it

WE 1-1489

HOLIDAY GATHERING

Mr. and Mrs. Henry Green, 22 Meadow lane, had as their guests during the holiday weekend Mr. and Mrs. Elree Green and children, Roger, Regena and Theresa, of Dover, Tenn., Mrs. Peggy Barger and children, Brenda, Susan and Johnnie, of Pontoon Beach, and Pfc. Richard Probasco and Pfc. Jim Nixon of the Granite City Army Depot. A watermelon feast was held Monday at the Green home, and the engagement of their daughter, Kathy Green, and Pfc. Probasco was announced.

Wedding plans will be made by the couple after he returns from Vietnam, where he will be stationed for 13 months. He left Tuesday. Kathy is a Press-Record carrier for the Chain of Rocks area.

Other Green children present were Joyce, Linda and Dennis.

VACATION IN ARKANSAS Mr. and Mrs. William Dewain Burroughs and children, Billy and Rick, of Route One, returned to their home Tuesday from a week's vacation in Arkansas.

Convalescing at Home Robert L. Andrews, 2412 Center street, arrived home from St. Elizabeth Hospital yesterday afternoon following treatment for a heart-attack which he suffered while on the job at Granite City Steel on June 6.

Butleidge, Sternberg, Fry and Parnley. In other stop sign action, the council voted for removal of stop signs on Hodges avenue at Henry street and placing the stops on Henry street.

Alderman Bartosik requested the Traffic Commission to study the need for stop signs on Lee avenue at 22nd street, pointing out that three youngsters have been hit by autos on Lee avenue in recent months, and Alderman Johnson asked the commission to determine if stops are needed on Melrose avenue at Oakland avenue.

Ordinance

quied. He will replace Claude Woodward, who resigned.

Moerlen commented that Woodward was on the job one day and then quit "because there wasn't enough work there."

The jobs of two men hired for the treatment plant as operator and as a driver for a sludge-hauling truck are under study by the Pollution committee due to the doctor's report.

Moerlen said he had been in contact with the doctor who gave the physical examinations for the men, but was not aware that the two men had high blood pressure until Tuesday night of a letter from the mayor's secretary, quoting the doctor.

Council members debated the merits of men with high blood pressure on jobs, and then decided to let the committee look into the matter. Also questioned was why the men were not given examinations prior to employment.

Sternberg answered that physical examinations are a requirement of employment but not a stipulation.

Construction Schedule Alderman Johnson, a member of the Pollution committee who had asked for a construction schedule to determine if the contractor owes the city any penalty payments for going beyond the contract deadline, challenged the July 14 deadline set by the engineers.

The committee is to study the report by Edward Juneau, project engineer, in which extensions are listed. He pointed out the bids were opened Sept. 15, 1964, and the contract signed Nov. 3, 1964, with notice to proceed going to the contractor Dec. 9, 1964, allowing for 26-day extension because of the notice delay.

Sixty days were added June 2, 1965, because of high water stages of the river and another 10 days on Aug. 3, 1964. Other extensions were four days because of an ironworker strike, and 30 days this year because of change orders.

Johnson commented the contractor should have allowed for high water stage and any strikes. Moerlen reported he still had no operational budget for the treatment plant. He said the engineer went out of town over the holiday weekend and failed to submit one. He promised the budget would be ready by next week.

SOCIETY

MISS CAROLYN RANDOLPH, fiancée of Pvt. John (Champ) Summers Jr. The bride-to-be is a daughter of Mrs. Helen Randolph, 2217 Dewey avenue, and Lacey Randolph, 2605 Adams street. Mr. Summers parents, Mr. and Mrs. John Summers sr., reside at 2405 Wilson avenue.

Miss Randolph Is Engaged

Announcement is made of the engagement of Miss Carolyn Randolph, a daughter of Mrs. Helen Randolph, 2217 Dewey avenue, and Lacey Randolph, 2605 Adams street, to Pvt. John Summers Jr., whose parents reside at 2405 Wilson avenue.

The bride-to-be, a 1955 graduate of the Granite City high school, is employed in the accounting department of the Union Starch & Refining Co. Her fiancé, a graduate of the Madison high school, is at Fort Leonard Wood, Mo., for basic training.

MR. AND MRS. ARTHUR HAGER, who were married Sunday at Trinity Methodist Church. The bride is the former Carol Sue Clark, a daughter of Rev. and Mrs. Clair Clark, 2531 East 25th street.

MR. AND MRS. EDWARD BAIN. Their wedding took place recently at Bethesda Baptist Chapel. The bride is the former Jo Laverne Pierce, a daughter of Mr. and Mrs. Joel L. Pierce, 2 Country Lane court. Mr. Bain is a son of Mrs. Leana Bain, 727 Twenty-sixth street.

Birthday Party For Carla Macios

Carla Ann Macios, eight-year-old daughter of Mr. and Mrs. Carl Macios, 78 Cambridge drive, celebrated her birthday Wednesday at a party given by her parents.

A ballerina theme was used in appointments and the birthday cake.

Prizes won by Debbie and Peggy Barnes, Laura Compton, Jo Elaine Macios, Debora and Denise Sydek, Terri Ties, Laura Allen, Rhonda and Robin Palmer, Angie Thomas and Beverly Warner.

Others present were Phyllis Von Nida, Linda and Donna Macios, Lynn Krysipka, Sherie Ferguson, Lisa Allen, Marcie Jette, Susan Kalela, Carol Sydek, the honoree, her sister Kathleen and brother Marc.

Refreshments were served by the hostess, assisted by Mrs. Jo Ann Sydek.

Carla Ann will enter Jewish Hospital, St. Louis, Friday and will undergo surgery Saturday morning.

MRS. CHAS. KNECHT IS CLUB HOSTESS

Mrs. Charles Knecht, 2103 Mainey avenue, entertained her card club Wednesday.

Those receiving prizes were Mrs. Clifton Halbert, Mrs. Fred Winkler, a guest, and Mrs. Sam Kelley. Luncheon was served at noon.

CLASS COMPLETES REUNION PLANS

Plans have been completed for a reunion of the June 1958 graduating class of the Granite City high school to be held on the evening of July 16 at Fischers restaurant, Belleville.

Reservations will be postmarked not later than Tuesday, July 12. Those received later will be returned. The tickets are \$12 per couple or \$6 single, payable at the reunion.

Lynn Baxenden is serving as general chairman of the event.

Plans are under way for a local institute at Wesley Hall of Niedringhaus Memorial Methodist Church on Aug. 5 when the newly-elected officers of the Granite City unit of the Woman's Christian Temperance are Mrs. Bethel Davis, president; Mrs. Ruth Johnson, vice-president; Mrs. Geneva Willmott, treasurer; and Mrs. Verna Willmott, secretary.

Also discussed was a meeting of the county institute in September when the local unit will be the hostess group.

PROGRAM COMMITTEE making final plans for a reunion of the June 1958 graduating class of the Granite City high school. Left to right, standing—Marilyn Aldridge, Donald Parney Jr., Lynn Baxenden, Joseph Harley, and Ronald Aldridge. Seated—Mrs. Barbara Painter and Mrs. Marcella Barnes.

AUXILIARY OF OCAW UNION MEETS

A monthly meeting of the Ladies Auxiliary OCAW Local 7-6634 was held Tuesday evening in the home of Mrs. Florence Schall, 1607 Elizabeth street, Madison.

Mrs. Betty Meier and Mrs. Mary Tankley opened the meeting with a flag ceremony and committee reports were heard from Mrs. Flo Buckingham and Mrs. Virginia Poulos.

Plans were made to take part in a local union picnic Aug. 20 in Swansea, and Mrs. Meier was appointed chairman. Also discussed were several fund raising projects.

Games were played and refreshments were served.

Judge Jas. Monroe Speaks on County's Race Relations

Circuit Judge James O. Monroe cited improved racial relations in Madison county in a speech Wednesday, but singled out several communities which he said have not come to grips with new Civil Rights laws.

Monroe told a public housing conference at Pere Marquette State Park he did not believe Civil Rights leaders references to "black power" would mean that Negroes would abandon non-violence, but that they are "going to assert" themselves by voting, running for office, lobbying and demonstrating.

Granite City, Madison and Venice have strongly resisted integration, Monroe said, and other towns of the county continue segregation policies in housing, municipal pools and elsewhere.

He said that municipal and political leaders of West Madison and Venice "haven't faced the issue because Negroes have been given the Uncle Tom treatment and the whites apparently feel this has been successful." In reference to Granite City, Monroe said "You just can't keep Negroes out of a place that large indefinitely." Alton, Edwardsville and Collinsville are showing signs of progress.

The two bright spots he said that would continue to improve the Negro's lot in the county were the new Southern Illinois

University-Southern Campus and the bench and bar.

"The law is now on the side of real democracy," as Lincoln saw it. It has taken us 100 years to clear up the legal garbage in this field."

Monroe also said that "A lot of white people have finally found it satisfying to learn that they have a conscience. The problem is not living with the Negro but living with themselves when they realize injustice has been done."

The three-day conference at Pere Marquette drew public housing officials from as far as 100 miles for the opening session.

Following Judge Monroe's talk, Thomas Jackson, state director of the Office of Economic Opportunity, described the various programs administered by that federal agency.

Dog Bites Venice Boy

Gregory Murray, 9, of 307 Weaver street, Venice, was bitten on the right knee Wednesday by a dog owned by Elizabeth Rhodes, 2605 Weaver street, police reported. The boy was treated by a physician. Police said the owner was notified to take the dog to a veterinarian for 10-day confinement for observation.

How To Hold FALSE TEETH

More Firmly In Place

Do your false teeth wobble and chatter by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little PASTECRETE on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, goopy, pasty taste or biting down on "chewies." "Sticks" of "breath" mints. Don't let your dental regularity get PASTECRETE at all drug counters.

"the Corvair Group"

3 ROOMS-25 PIECES \$555.00

for the look you love—and love to live with—select exciting modern!

EXACTLY AS ILLUSTRATED

Beautifully sleek, these carefully crafted pieces are a new blend of warm walnut finish with a simulated dark Bush accenting bed, dresser and chest. All pieces feature a special high gloss Plastilac finish—all faces as well as tops. This is hand rubbed to bring out the rich wood grain and finish, and to protect each piece from stains, spills, cigarette burns, scuffs and scratches. Makes cleaning a breeze—just use a damp cloth, and the original beauty magically reappears! With the Corvair Group, you can say goodbye to nagging drawers that stick or jam—these won't. All drawers are double center guided, and guaranteed not to stick. In fact, if they do, the manufacturer will pay you \$100.00!

See this outstanding value now... clean-lined, uncluttered Modern for today's living—and 2 Complete Rooms amazingly low priced at \$555.00

3 COMPLETE ROOMS: 25 PIECES INCLUDED:

Park District Olympics Next Wednesday Night

Granite City's fourth annual "Olympic" track meet will be held next Wednesday night at Wilson Park. Teams from nine playgrounds—Nameoki, Community Center, Wilson, Niedringhaus, Salvation Army, Marshall, Webster, McKinley and Logan—are to participate.

The day's competition should be "exciting," according to Mrs. Helen Bjorkman, supervisor of the meet.

"The big question most of the children are asking is whether or not Nameoki will win the trophy again," she said.

Marshall center won it the first year (1963), but the traveling award will find a home if Nameoki should win for a third consecutive time.

Events for the track meet will begin at 7:40 p.m. under the lights at diamond No. 8 at Wilson Park. Order and time of field events are as follows:

7:40 — girls: standing long jump (grade 1), running long jump and soccer kick (grade 4); 7:45 — boys: standing long jump (grade 1), running long jump and soccer kick (grade 4); 7:50 — girls: standing long jump (grade 2), running long jump and soccer kick (grade 5); 7:55 — boys: standing long jump (grade 2), running long jump and soccer kick (grade 5); 8:00 — girls: standing long jump and soccer kick (grade 6); 8:05 — boys: standing long jump and soccer kick (grade 6).

Granite City PRESS-RECORD
Page 10 — Thurs, July 7, 1966

(grade 3), running long jump and football target (grade 6); 8:10 — running long jump and soccer kick (grade 3); 8:15 — girls: standing long jump and soccer kick (grade 3); 8:20 — grade 3: girls and boys 30-yd. dash; 8:25 — grade 4: girls 35-yd. dash, boys 50-yd. dash; 8:30 — grade 5: girls 40-yd. dash, boys 60-yd. dash; 8:35 — grade 6: girls 40-yd. dash, boys 60-yd. dash; 8:40 — grade 7: girls 40-yd. dash, boys 60-yd. dash; 8:45 — grade 1: girls and boys 20-yd. sack race; 8:50 — grade 2: girls and boys 25-yd. sack race; 8:55 — grade 3: girls and boys 30-yd. sack race; 9:00 — grade 4: girls 35-yd. shuttle relay, boys 50-yd. shuttle relay; 9:05 — grade 5: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay; 9:10 — grade 6: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay; 9:15 — grade 7: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay.

Order and time of running events follow:

8:10 — grade 1: girls and boys 20-yd. dash; 8:15 — grade 2: girls and boys 25-yd. dash; 8:20 — grade 3: girls and boys 30-yd. dash; 8:25 — grade 4: girls 35-yd. dash, boys 50-yd. dash; 8:30 — grade 5: girls 40-yd. dash, boys 60-yd. dash; 8:35 — grade 6: girls 40-yd. dash, boys 60-yd. dash; 8:40 — grade 7: girls 40-yd. dash, boys 60-yd. dash; 8:45 — grade 1: girls and boys 20-yd. sack race; 8:50 — grade 2: girls and boys 25-yd. sack race; 8:55 — grade 3: girls and boys 30-yd. sack race; 9:00 — grade 4: girls 35-yd. shuttle relay, boys 50-yd. shuttle relay; 9:05 — grade 5: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay; 9:10 — grade 6: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay; 9:15 — grade 7: girls 40-yd. shuttle relay, boys 60-yd. shuttle relay.

Airman Richard Modrusic Completes Basic Training

Richard Modrusic, son of Mrs. Mary Modrusic of 906 Madison avenue, Madison, has been assigned to Amarillo AFB, Tex., after completing Air Force basic training.

The airman, a graduate of Madison high school, will be trained on the job as an administrative specialist with the Air Training Command.

PARK OLYMPIC TROPHY is shown off by young participants in the Nameoki school playground program, which has won the annual Granite City park district track meet two years in a row. Pictured (from left to right) are Steven Watson, Billy Harrison, Jayne Harding and Brenton Hutson.

Illinois Research Firm Data is Available

Illinois, a state recognized worldwide as a leader in industrial research centers and programs, has 290 industrial research facilities within its boundaries.

Data about each of them is now available in a 32-page booklet compiled by the Illinois Department of Business and Economic Development, Division of Community and Industrial Development. "Survey of Industrial Research Laboratories."

The booklet is intended to be a guide to prospective new Illinois industries. Copies are available from the Department of Business and Economic Development, 222 S. College Street, Springfield, Ill. 62706.

BLUE WORM LURE proved too much for this 7-pound 2-ounce large mouth bass to resist. Lunker was caught early this week at Table Rock Lake, Mo., by George Gocheff Jr., 2004 Washington avenue.

State Tent Show At County Fairs

A modern version of the old-time tent show will be a feature provided at county fairs by the Illinois Department of Public Works and Buildings during July. Audio-visual techniques will be used to show some of the department's accomplishments. Audience participation will be invited by an identification game, "Can You Name the Place?"

Another display will show the effects of highway litter. Exhibits are scheduled at the Jersey County Fair, Jerseyville, July 10-16; Vermillion County Fair, Danville, July 12-17; Heart of Illinois Fair, Peoria, July 16-23; and Macoupin County Fair, Carlinville, July 18-27.

The exhibit will be set up at more than 30 county fairs this summer as well as at the Illinois State Fair. After the fair season, the exhibit will be scheduled for community use.

Specialist Training For Marine Blason

Marine Private M. Blason, son of Mr. and Mrs. John Zikovich of 2429 Center street, has completed individual combat training at Camp Pendleton, Calif.

His next stop is four weeks of basic specialist training in his military occupational field.

Receives Federal Grant

Eastern Illinois University has received a \$5000 federal grant for the purchase of library materials. It was announced by President Quincy Doudna. Dr. Roscoe F. Schaupp, director of library services, said that most of the money will be used to enlarge Eastern's file of periodicals, both in back and current issues.

MORE ABOUT First Witness

Coeur, attorney for Stamps, told the court that Fortner's statement was unavailable to him and that he had been denied interview with 17 prison employees after it became known he was attorney for Stamps.

Fortner was to be cross-examined by Shaikewitz today.

Blames Prison Conditions

A bizarre story of homosexuality within the prison was told by Shaikewitz in opening arguments to the jury.

The attorney charged that "deplorable conditions" at the prison were responsible for the defendant's mental breakdown on the day of the riot. He told the court that Stamps is undeniably suffering from homosexuality and that while prison officials were aware of this, the only action was constant punishment rather than psychiatric help.

He said Stamps requested to see the prison psychologist, and when permitted to do so was told by the psychologist "to get a crew cut."

In 1961 or 1962, Shaikewitz told the jury, Stamps was transferred to Joliet prison where he committed violations that indicated he needed psychiatric help, "but he did not get it."

Stamps attempted suicide several times in Joliet, he continued, but the answer to this was a "goon squad" of convicts to beat the prisoner.

Later Stamps was returned to Menard with recommendations for careful cell placement. Instead, Shaikewitz related, he was placed along with other convicts.

Meter Fees, Fines Reach All Time Six-Month High

Income from operation of Granite City's parking meters for the first half of the year hit an all-time record high for the first six-month period of any year the meters have been in operation, according to a report by the office of Comptroller Robert Stevens.

June fee collections of \$3096 and fines of \$849, a total of \$3945, increased to \$23,125 the total amount of revenue received from meter operation during the first six months of the current year. Since 1960, income for the first six months of the year has been totaling "from \$19,000 to \$20,000."

The substantial increase in parking meter revenue results from a step-up in enforcement of meter regulations which has resulted in a steadily increased fines for each of the six months of this year.

During the first half of the current year, \$4539 in fines have been collected. This is \$909 more than the total of \$3631 in fines collected during all 12 months of 1965 and \$1890 more than the total of \$2540 collected during all of 1964.

June fee collections dropped, \$279 below those of May when \$3799 was collected from the meters for the largest monthly fee collection so far this year. Largest fine payments for any single month during the first half of the year was \$1058 collected in February.

Records show that total fee collections for all six months of the current year amounted to \$18,666, while the total fine payments of \$4539 for the \$23,125 figure.

Total fine and fee collections for the first half of last year amounted to \$18,357 while in 1964 the total for the same period was \$19,264. In 1963, collections for the first six months totaled \$19,312.

Other half-year payments, according to the records, are \$18,433 in 1962; \$20,548 in 1961 and \$21,337 in 1960.

Social Security Benefits are Up

East St. Louis district social security figures reveal that 4990 more people received benefits in 1965 than in 1964. In dollars, this increase amounted to \$548,343.

Changes in 1965 social security amendments accounted for most of the increase. Additionally, older people applying for Medicare, learned they were eligible for regular social security benefits as well.

Figures for Madison county were broken down into five categories:

Retired workers, 12,419, \$1,107,427; wife or husband, 3663, \$173,774; widow or widower, 3215, \$243,572; mothers and children, 4082, \$248,719; disabled workers and dependents, 1217, \$127,013.

State Fairgrounds Streets are Renamed

Visitors at the Illinois State Fair, which will begin its annual 10-day run in Springfield on Friday, Aug. 12, should have an easier time "finding their way around" the 366-acre exposition site than in former years.

Formerly visitors have had to meet friends at such intersections as "Brown" and "Judy" avenues. Now they can rendezvous at "Main street" and Central avenue.

"Farmarama lane" now leads to the Farm-A-Rama Building. "Rabbit Row" and "Grandstand avenue" needs no explanation.

Other appropriately retitled thoroughfares include "Four-H lane," "Coliseum street," "Buffalo drive" (in the Conservation Area) and "Honey Bee lane."

Consult

Jim Henderson

About this Question:

"Increasing auto traffic congestion leads to more frequent accidents. Higher hospital and medical costs, auto repairs and higher injury awards — all these are forcing auto insurance rates higher. Can more careful and courteous driving alone reverse this trend?"

Bingo Game Reported in Fire Station

Versions Conflict on Unlicensed Beer Stand

Arno V. Sponekan, 2609 East 24th street, treasurer of the Madison County Young Democrats, told the Press-Record yesterday that he originally thought a license had been issued for operation of a beer stand near the Tri-City Speedway Sunday, July 3. After learning otherwise, he did not attempt to operate it, he said.

"I made arrangements to obtain a portable beer stand under the impression that a permit had been issued to our Young Democratic club. I arrived to find the distributor in the act of setting up the beer stand.

"There was a deputy sheriff there and he asked if we had a license," Sponekan said. "I told him that I thought we had. He then called the sheriff's office to get verification.

"The sheriff's office could not contact Mr. Harold Landolt (Madison county board chairman and county liquor commissioner) for verification, so I called our club president. I was informed that we did not have a license, so I did not open the stand.

Only Club Member Present

"To the best of my knowledge I was the only member of the Young Democrats present and I did not mention anything about the deputy or his job, nor did I say that Mr. Christ Costoff had given me permission.

"Mr. Costoff (Venice township Democratic chairman) had absolutely nothing to do with the incident because this was to be a Young Democrat booth.

"I did not know and still do not know the name of the deputy sheriff who made the report," Sponekan concluded.

Report by Deputy

Deputy Edwin G. Kozewich reported to Sheriff Barney Fraundorf that during a "routine check of the Tri-City Speedway, it was noted that a beer sales arrangement was being set up in a wheat field to the northeast of the speedway track, beyond a fence separating the field from the speedway track.

"A stand was set up for the sellers to stand on to pass the draft beer over the fence into the lot. Signs were on the fence offering 14-ounce cups of beer for sale for 30 cents. The beer was in a Granite City beer distributor's truck and a dispenser was set outside the truck.

"The operators were spoken to and asked if they had a license. They stated that they were selling the beer for the Young Democrats club and that Christ Costoff had gotten the okay from the liquor commission for the sale and that a police commissioner in Granite City owned the land and had okayed the stand.

Contact Liquor Commissioner

"Harold Landolt was contacted and stated that no permit had been given for the sale of beer at this location. The sellers were advised to close the operation or produce a license.

"One of the subjects reached for his wallet and then stated that Costoff had the permit. He left to call Costoff and get things straightened out.

"I advised that they would have until 12:30 to produce a license or remove the beer, and that no sales would be made in the meantime. This was at noon. At 12:30 the operators were ordered to load the equipment and remove it from the area.

Bingo Game Predicted

"They complied after making comments about the new sheriff coming in and deputies being out of a job, and said a bingo game was opening right after the election with the sanction of county precinct committeemen.

"The person operating the beer sale was Arno V. Sponekan. He was accompanied by Phillip G. Elam, St. Louis, and Mike Len Fitt, St. Louis. They were driving an auto bearing Illinois and Missouri licenses. The field was cleared of equipment and beer at 12:45 p.m.

"Kozewich also was the deputy who was patrolling in the State Park area June 26 and heard an alleged bingo game in progress at the community center attached to the State Park fire station on Princeton street.

"An auto was stopped as a subject was leaving the fire station and the driver was queried as to what was taking place inside. He reluctantly admitted that there was a bingo game. The numbers being called and winners announced over a microphone could be heard.

\$2 Given to Winner

"When asked if any money was involved, he stated "No." Asked what type of prizes were being given, he stated that it was a friendly game and there were no prizes. He did state that the people were using coins to cover their cards.

"I entered the room where the game was in progress and observed the ending of a game. One subject was checking the card of a winner and then gave him some currency that appeared to be two \$1 bills.

"The person using the microphone and drawing the numbers himself as the fire chief, Robert Strackelja. He stated that the persons in attendance were all firemen and that it was a private party for them and their families.

100 Attending Game

"There were about 100 persons there — men, women and children," Kozewich related. "He stated that the party did not cost anyone anything and that they were only playing 15 or 25 cents a game.

"I was asked what right I had advising them to cease the game at a private party in the fire department building. The man replied that the party lost himself in the crowd and his name was not obtained.

"Some of the persons stated they would play some more after I left and that they would look for me to come back.

"The crowd was very hostile and advised me that Fraundorf would not be in office after December and that I would not be around, either.

"Some members of the crowd wanted to know who complained about their game, and said they would 'take care of him.'"

OZARK CAMPING TRIP

Mr. and Mrs. Archie Beatty, 2804 Forest avenue, and their four children, Roberta, Sherry, Jeffrey and Douglas, returned late Sunday evening from a four-day camping and sightseeing trip at the Lake of the Ozarks State Park in Missouri.

HOLIDAY GUESTS

Mr. and Mrs. Donald Miller, 3009 Sunbury avenue, had as their guests over the Fourth of July weekend Mrs. Miller's niece, Miss Cathy Robinson, and a friend, Miss Connie Eikenberry, both of Normal, Ill.

RETURN FROM VISIT

Returning Monday after a vacation of several days were Mr. and Mrs. Richard Oram, 2004 Wilson avenue.

The Oram family visited at the

home of Mrs. Oram's parents, Mr. and Mrs. John Holtz in Owensville, Mo. Their daughter, Deana and daughter, have remained in Owensville for a two-week stay and another daughter, Melissa, returned with her parents, having spent the last two weeks with her grandparents. Also returning here was Linda Oram.

HOLIDAY GUESTS

Mr. and Mrs. Carl White and their children, Michael, Sheryl and Kevin, 2212 Wilson avenue, had as their guests on the Fourth of July Mr. and Mrs. Harold Lunsford and children, Dianne, Gordon Gale and children, Monica, Nancy and Greg, of Edwardsville. Mr. and Mrs. Ronald Stone and daughter, Lisa, of Delavan, Ill., and Miss Janice Beck and Gary Beinert, also of Delavan.

The entire group spent the day picnicking and swimming at the Lake and Sun beach.

KILL ATHLETE'S FOOT GERM

One application of T-A-L steps and burning in MINUTES or your back, burn in 3 to 5 days, infected skin sloughs off to expose more germ and skin.

That's HEALTHY skin appears! TODAY at REESE DRUG STORES.

A Few Old Friends Must Go!

We just can't keep everything. They say, "Parting is such sweet sorrow," especially when we sell much of it at our cost and below, but we must let a few old friends go to make room for the new, exciting fall styles that will be arriving soon. Truly, they are as good as the day they arrived but there is just too much of a good thing. The savings are worth taking advantage of but you'll have to hurry because they'll go fast.

PARTY, REUNION HELD
Mrs. Billie Evans Wilson, 2206 Ohio Avenue, was honored Monday at a surprise birthday party and family reunion at the home of her son-in-law and daughter, Mr. and Mrs. Melvin Welker, 2513 Cardinal Avenue.

Those attending included Mrs. Wilson's four sons and three daughters. Present were Mrs. and Mrs. Leroy Evans and family of Houston, Tex., Mr. and Mrs. Earl Evans and family, Mr. and Mrs. J. D. Evans and family and Ray Evans, all of Granite City, Mr. and Mrs. Carl Swan, son and family of Sycamore, Ill., and Mr. and Mrs. Douglas Jones and family of Mulberry Grove. Also attending were a brother-in-law and sister, Mr. and Mrs. Owen Kown of Williamsport, Ind., and the honoree's husband, and the Welkers and daughter, Debbie.

HOLIDAY BARBECUE
Mr. and Mrs. Norman Dunscomb, 2450 Jorden Avenue, entertained guests Monday at a barbecue at their home. Those present were Mr. and Mrs. Robert Potillo of Urbana, Athia Buggs, Marlene Painter, Mrs. David Andrews and son, David II, Mrs. Robert Squibb and Mr. and Mrs. Jerry Potillo and children, Sandra, Kent, Mark, Beth and Kirk.

BEGIN BOOK STUDY
The Ruth Ford circle of Second Baptist Church met Tuesday evening with Mrs. Eloise Yates as hostess. A book study, "Major Culls and the Mormons," was opened by Mrs. Rosemary Wilson. Mrs. Naomi Roney gave special prayer for missionaries. Mrs. Nellie Lupardus was in charge of the business session. Others present were Mesdames Ruby Maherry, Lena Stevens, Georgia Mitchell, Aline Phillips, Aline Reagan, Florence Paul, Dorothy Barnes, Mrs. Goldie Smith and a special guest, Mrs. Paulette Humphrey.

Pontoon Beach & Stallings
Mrs. MABEL KENNERLY
383 Lake Street
WE 1-0132

GUESTS FROM SOUTH
Mr. and Mrs. Oren Leverich of Lake street had as weekend guests her son and daughter-in-law, Mr. and Mrs. Bob Kelly, and son, Victor, of Memphis, Tenn.

Mrs. Mina Leverich entertained with a come-as-you-are party Tuesday. Games were played and prizes were awarded. Refreshments were served to Mesdames Jane Ellisworth, Becky Oldwark, Leona McCoy, Mary Warren, Belle Krehr, Ruby Miller, Marie Walther, Teresa Meyers, Loreta Reynolds, Carrie Suggs, Juanita Jacobs, Jennie Conrad, Mary Bilderback, Catherine Hudgins, Margie Ryan and Mary Ann Still.

Motorist Hospitalized
Louis Boskey, 56, of 827 Niedringhaus Avenue, who was hospitalized here Saturday following a two-car accident at 23rd and Lee Avenue, is undergoing treatment for cuts to his scalp and injuries to his left leg and hip. He is an A. O. Smith Corp. employee. The other driver was charged with a right-of-way violation.

Rev. and Mrs. Jeff Smith and daughter, Kimberly, Rev. and Mrs. Claude Black and son, Erick and Mr. and Mrs. Clifford Black and son, Tommy, returned this week from a five-day camping trip at the Lake of the Ozarks.

HOLIDAY OUTING
A group celebrated the Fourth of July at an outing at Cedar Creek on the Current river.

Those attending were Mr. and Mrs. Glen Lowe and children, Donald and Beverly, Mr. and Mrs. Orville Smith, Mr. and Mrs. Leola LeMaster and children, Doug and Sandy, Mrs. Pat Barentine and son, Richie, Mr. and Mrs. John Lowe, Mr. and Mrs. Charlie Thompson and children, Carolyn, Eddie, Donna, Stanley and Paula, Mr. and Mrs. Ira Wall and Jack Wall.

The club enjoyed a trip on the Admiral June 24. It will meet next month with Mrs. Susan Nolan, 2116 Miracle Avenue.

MRS. SCAGGS HOSTESS

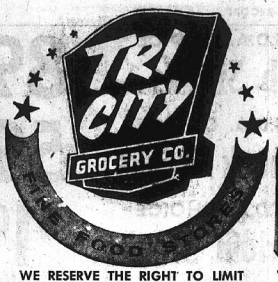

The Gay 20s club met at the home of Mrs. James Scaggs, 2159 Orville street Tuesday night. Those present were Mesdames Millie Woods, Elynn Mae Curtis, Susan Nolan, Wilma Spurlink, Mrs. Robert Potillo of Urbana, Athia Buggs, Marlene Painter, Mrs. David Andrews and son, David II, Mrs. Robert Squibb and Mr. and Mrs. Jerry Potillo and children, Sandra, Kent, Mark, Beth and Kirk.

The group also honored Mrs. Monroe with a stork shower.

Fined on Traffic Counts
Odie Cross Jr., 40, of 1103 Logan street, Venice, was fined \$40 and assessed \$10 costs in magistrate's court at Madison Wednesday morning on his plea of guilty to charges of using improper license plates and driving with an expired driver's license. Cross was arrested by Venice police at 8:35 p.m. Tuesday at Bissell and Weaver streets in Venice.

YARDLEY DEODORANTS FOR MEN

Ex-Resident Promoted At A. E. Staley Firm

Appointment of William R. Wiegand, former Granite City resident, as manager of the sales order service department of the A. E. Staley Manufacturing Co. at Decatur, Ill., was announced Wednesday by R. J. Schumman, distribution division director.

Wiegand has held the position of inventory planning supervisor and had two years' experience in the inventory planning and control department. He joined the firm as management trainee in 1963. In his new position he will be responsible for entering and processing all domestic customer orders. Wiegand, who was born in Granite City, holds a B.S. degree in marketing from Southern Illinois University and an M.S. degree in business administration from the University of Missouri.

Granite City PRESS-RECORD Thurs., July 7, 1966 Page 15

Varied Charitable Aid By Eagles in Illinois

The Fraternal Order of Eagles in Illinois is contributing \$27,000 to the heart fund, \$12,000 to the cancer fund, \$4000 to a memorial foundation fund and \$2000 for the education of retarded children. Members of Aerie 1128 here are being advised. Assistance also is being given to a girl's camp in Texas.

A report on the 58th annual convention, held in Springfield, Ill., this summer, currently is being prepared by the local delegates, who included U. S. Jackson, worthy president; Joe Klesh, worthy treasurer; Lyle Temple, worthy past president; and William Hemken.

A state second place award has been received for the Aerie 1128 degree team, composed of Jess Brown, president; Jack Lehne, past president; Carl Buehler, vice-president; Jess Hadley, chaplain; and Hemken, conductor.

Fleet Reserve Group To Install Saturday

Greater St. Louis Branch 267 of the Fleet Reserve Association will hold its annual installation of officers Saturday at the Granite City Army Depot officers' club. Members are making reservations for the event with Jim Teater of St. Louis.

Officers for 1966-67 include Lewis G. Bowman, 3100 Wayne avenue, first vice-president, and directors include John Matras, 3221 Felling road. Incoming president is Ralph H. Anderson, Overland, Mo.

Other new officers of the association, which meets monthly at the Naval Training Center, Lambert Field, are Charles Bruch, second vice-president; Walter Virgil Rainey, secretary; Walter Lieberman, treasurer; and Roy Dowling, Walter Krutewicz, Ted Donnan, Noble Hardwick and Teater, directors.

HOLIDAY OUTING

An all-day outing, including a cookout breakfast, was enjoyed Monday at Echo Lake Ranch in Missouri by Mr. and Mrs. Harold McClelland and grandson, Scott Bone, Mr. and Mrs. George Stagg and daughters, Darla and Crystal, Mr. and Mrs. Delbert Pyles and sons, Butch and Randy, Mrs. Leola Pyles, Mr. and Mrs. Charles Elledge and daughter, Beth, Mr. and Mrs. Glenn Tucker and granddaughter, Tonya Cuccati, all of Granite City, and Rev. and Mrs. R. D. Shaw of Flat River, Mo.

Members of the Lester family of Missouri were weekend guests at the Mitchell Assembly of God Church, where Rev. Kenny Marshall is pastor.

HOLIDAY DINNER

Mr. and Mrs. Everett De Hart, 1367 Edwardsville road, entertained with a barbecue dinner on the Fourth of July.

Out-of-town guests were a nephew and his family, Mr. and Mrs. Jim De Hart of Wheaton, Ill.; Mrs. Edwin Cowan of Belleville and Lawrence Say of O'Fallon, Ill.

Local guests were Mr. and Mrs. Billy DuBay Jr., Mr. and Mrs. Louis Mariette and daughters, Angela and Becky, Mr. and Mrs. William DuBay Jr., Dave DuBay, Miss Chris Daugherty, Miss Carolyn Bunselmeyer, Miss Joan Bunselmeyer and Mrs. Pearl Bunselmeyer.

Bend Road News

MRS. EILEEN ROBINSON
TR 6-5283

Seaman Richard Dunlap, son of Mr. and Mrs. Jerry Borgen of Bend Road, spent the holiday weekend with his parents.

He is a patient at the Great Lakes, Ill., Naval Hospital, where he is to remain three or four more weeks. He recently returned from duty in Vietnam aboard the U.S.S. Lowe.

OPEN 6 DAYS 9:11 A.M. - SAT. 11:55 P.M.

—TRY A CLASSIFIED AD—

THIS I BELIEVE

TRUTH IS ETERNAL! The more truth we have, the better off we are. You will find more truth (Bible Truth) in a United Pentecostal Church. This fact can be proven to you only by coming and listening and learning. This decision is yours to make.

You will discover a fuller doctrine about God. There will always be some mystery about God, but much that is called a mystery about God is explained at the United Pentecostal Church.

You will discover a greater exposition of water baptism as the apostles understood and practiced baptism. You will be surprised to learn that there is more to this subject than the routine explanations given.

You will discover a whole new world of truth about the Holy Ghost. This you should know by all means investigate.

But, besides this, there are other great areas of untouched Bible Truth that is placed before you.

Four Hubcaps Stolen

Four hubcaps valued at \$100 were stolen from a 1964 convertible auto owned by George Charovich, 908 East Chain of Rocks road, Mitchell, while it was parked in the driveway of his home Tuesday night, he reported to the sheriff's office.

Women Fined \$100, Costs

Donna Faye Black, 18, of 2713 Denver street, was fined \$100 plus \$3 costs on a violation of the state driver's license act in magistrate's court Wednesday. The charge was filed June 30 by county authorities.

Artists Exhibit Open Now at State Museum

The 19th North Mississippi Valley Artists' Exhibition is now open in the Illinois State Museum art galleries, at Springfield. Included in this year's invitational show are the works of 49 professional painters, sculptors and printmakers.

Along with the works of fully established artists of national efforts of younger artists now gaining increased reputations in mid-west art galleries, and exhibitions. Each artist has been free to choose for the exhibit the work of art he feels best represents his recent accomplishments.

Most of the art is available for sale and the museum, takes no commission on the sales.

Marine Ralph Serini Finishes Recruit Work

Marine Pvt. Ralph E. Serini, son of Mr. and Mrs. Ralph E. Serini of 17 Del Rio drive, was graduated from Marine recruit training at the Marine Corps Recruit Depot at San Diego, Calif. It will undergo four weeks of individual combat training and four weeks of basic specialist training in his military occupational field before being assigned to a permanent unit.

Vandal Dents Car Door

A vandal threw an object that dented the right front door of the 1964 auto of Mrs. Helen Ridgway, 3155 Willow avenue, as she was driving in the 2200 block of Lee avenue at 11:15 p.m. Wednesday.

THIS WEEK'S WINNING BABY PICTURES!

MATCH THESE CUTIES WITH THOSE ON YOUR GAME 4 CHARTREUSE SLIP DISTRIBUTED JUNE 30 THROUGH JULY 5. AND HERE'S HOW YOU WIN!

1. If any 4 pictures on your slip are in a row up and down, across, or diagonal, you have won \$1.00. \$1.50 winning row need not be under a color bar.
2. You win from \$2 to \$500 if your winning row is completely covered by a chartreuse color bar. Check below to see how much you've won!

See complete details on back of game slip. All winning Baby Pictures posted at NATIONAL.

MISS KAREN FAY CLARK, another bride-to-be whose engagement is being announced. A daughter of Mr. and Mrs. Charles R. Clark, 1349 Edwardsville road, she will be married to Lloyd E. Miller Jr., a son of Mr. and Mrs. Lloyd E. Miller sr., 3940 Lake street. The wedding will take place Aug. 6.

RECENT BRIDE. Mrs. Ronald Keith Brink, the former Nancy Sue Williams, a daughter of Mr. and Mrs. James L. Williams Jr., 129 Riviera drive, who was married Saturday evening at Niedringhaus Memorial Methodist Church.

Legal Movies, Talks Offered by Lawyers

William L. Beatty, retiring from this area as president of the Madison County Bar Association, issued a re-erecton, William F. Hoelscher, minder today that the Association's Bureau is making available to all organizations Calvo, William E. Brandt, Burton Bernard, Merin Hiscott, Leo Konzen, Austin Lewis and Andrew Matosian.

A Matter of Time, A Stitch in Time, An Ounce of Prevention, Basic Court Procedures, Decision for Justice, John Yankee, Living Under Law, Medical Witness, and Mightier Than the Sword, Moonlight Witness, New Dimensions for Law.

Our Basic Civil Rights, Our Living Declaration of Independence, Sunrise on a Dirty Face, The Doctor Defendant, The Man Who Didn't Walk, The Silent Witness, Trial by Jury, Why We Respect the Law, and With Benefit of Counsel.

Beatty said 57 lawyers have consented to speak on more than 30 legal subjects. Among those

Maurice C. Robbins, 82, Dies; Ill One Year

Maurice C. Robbins, 82, of 1652 Fourth street, Madison, died today at 4:15 a.m. at Jewish Hospital, St. Louis. He had been ill for one year, and a patient at the hospital for 17 days.

Mr. Robbins, born in Paradise, Ill., lived in this area 54 years. He was employed by the Granite City Steel Co. for 35 years, retiring in 1950. He was a member of the First Methodist Church of Madison and Machinists Local 92.

Surviving are his wife, Mrs. Bonnie Robbins; two daughters, Miss Ardith Robbins and Mrs. Warren (Maxine) Geldbach, both of Madison; a son, Maurice E. Robbins, Madison; and four grandchildren. Funeral arrangements appear in today's obituary column.

The Need for Education to the Bill of Rights, Property Rights, Joint Tenancy, Law of Taxation, Not What to Do in Case of an Accident, State Government, Recent State Legislation, Workmen's Compensation, Bi-State Development, Labor Law, Industrial Relations, Social Legislation, Current State and Federal Legislation, Local Planning and Zoning.

Unusual Wills, Traffic, Military Law and the Lawyer, Military Law and the Serviceman, Your Son and the Military Law, What Is the Constitution, and the Rights of Women. The lawyers have also offered to speak on non-legal subjects concerning Higher Education, Local History, the Berlin Wall, and Women—three book reviews.

SALE DAYS

SPECIALS
FOR FRI.-SAT.-MON.City Sales Tax 9% Ahead
Of Last Year's Record Pace

Quadrant municipalities, as a group, are on the way to their fifth successive yearly record in sales tax and service occupation tax. Leasing occupation tax payments are being held as protested because of pending litigation.

After declining slightly in 1961 to \$265,853 (from \$264,267 in 1960), area income from the city sales tax climbed to record peaks of \$283,801 in 1962, \$297,003 the following year, \$337,147 in 1964 and \$359,084 in 1965.

For the first quarter of this year, the figure is \$86,215, up 9% from the first quarter of 1965, newly-released Illinois Revenue Department statistics showed today.

Granite City, with \$65,792 quarterly and \$298,361 annual tabulations last year, so far has qualified for \$70,693 in 1966, including \$21,550 for January, \$22,686 for February and \$26,453 for March.

Madison, Venice, Pontoon and Madison, with \$10,878 and \$47,818 three-month and 12-month totals in 1965, has received \$12,670, including \$3,974 in January, \$3,765 in February and \$5,331 in March.

Venice, receiving \$2313 for January-March 1965 and \$11,361 for the entire year, so far has netted \$2724 this year, including \$859, \$909 and \$965 in January, February and March, respectively.

The village of Pontoon Beach has qualified for \$115, including \$26 for January, \$22 for February and \$67 for March. In 1965, its sales tax income was \$91 after the first quarter and \$342 at the end of the year.

New High Each Month
A breakdown of Quad-City area municipal sales taxes this year shows \$26,110 in January, \$27,384 in February and \$32,718 in March, new all-time records for each of those months.

Figures given are based on collections from taxpayers filing on a monthly or quarterly basis for first quarter tax liability, less 4% deducted by the state to "skyhawk," the world's smallest combat jet plane.

Howell Promoted to Airman Second Class

Conley Howell, son of Mrs. Myrtle Howell, 2129 Washington avenue, and Art Howell, Rural Route One, has been promoted to airman second class in the U. S. Air Force.

He is a full specialist at Randolph Air Force Base, Texas. A graduate of Granite City high school, he has been in the Air Force since July of last year.

SIU Art Graduate To Work in Samoa

A Southern Illinois University graduate is going this fall to "America's Showplace of the South Seas"—American Samoa—as a television artist for the nation-wide educational television system.

John L. Knaub of Princeton, Ind., who received his bachelor of fine arts degree in June, has accepted a position with the Department of Education in Pago Pago, Tutuila, American Samoa.

—GO TO CHURCH SUNDAY—

4-H Girl Advances To State Fair Contest

Mary Breidenbach of the Junior Fifty-Eighters 4-H Club and Gail Forshee of the Senior Fifty-Eighters 4-H Club achieved ratings in Edwardsville where they participated in the county foods demonstrations, it was announced today.

The program was held in the Farm Bureau auditorium and each 4-H club in the county was permitted to present one demonstration related to the food project in which the demonstrator is enrolled, and an additional demonstration if the member is enrolled in "yeast breads."

Gail Forshee received an "A" rating on the "piccolo pizzas" which she made and was selected as the top demonstrator to repeat the demonstration at the Illinois State Fair in Springfield. Her expense-paid stay at the fair will be Aug. 14-17.

3 GC Students Named To Milikini Dean's List

Three Granite City students are among 315 at Milikini University, Decatur, to be named to the dean's list for the second semester. They are:

Miss Carol Bradish, daughter of Mr. and Mrs. Joe Bradish, 2204 East 20th street; Melvin H. Barron, son of Mr. and Mrs. Melvin Barron, 14 Jones Park; and Charles C. Haug Jr., son of Mr. and Mrs. Charles C. Haug Sr., 2415 Logan street.

Barron received a bachelor of arts degree and Haug a bachelor of science degree in June.

240 Students Attending McKendree Summer School

Two hundred forty students are enrolled in the summer school at McKendree College in Lebanon, according to Wendell Dyringer. This represents a 69% increase over the preceding year. Classes opened on June 20 and will conclude on Aug. 6. A maximum of eight semester hours of credit is offered.

Dean Dyringer also reports that 60 persons were enrolled last week in a Writers Conference at the college. Leading the program in the fiction workshop was Stanley Elkins. Pierre Long, agent, critic and teacher, was in charge of the articles workshop. Velma Nave headed the workshop in high school writing and Charles Paul May conducted a photo-journalism workshop.

5 Area Students Selected As James Scholars at U. I.

Five Quad-City students have been accepted into the Edmund J. James honors program for superior undergraduate students entering the University of Illinois in the fall.

They are Linda Lee, 1812 State street, enrolled in liberal arts and sciences; Diane and Donna Kinney, 2639 East 23rd street, both enrolled in agriculture; John D. Rummel, 3006 Buxton avenue, enrolled in liberal arts and sciences; and John A. Filcoff, 1307 Iowa street, enrolled in engineering.

James scholars are chosen on the basis of academic records, tests and recommendations of high school principals, guidance counselors and teachers. It is the highest academic honor that can be conferred on a freshman entering Illinois.

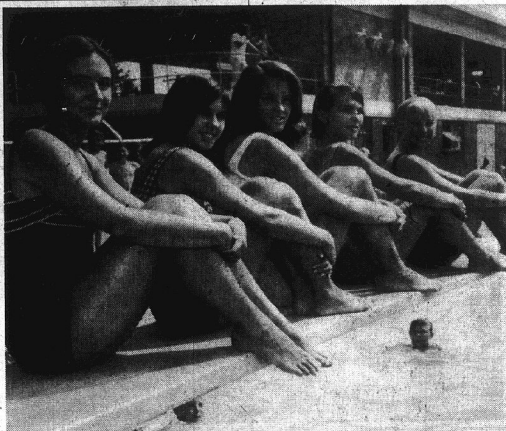

They are given an opportunity to work harder and learn more by enrolling in special courses and honors sections designed to use their full academic capabilities. They are permitted to make adjustments in their programs to fit their exceptional abilities, to have honors advisers and to use special study rooms in the James center.

Students may leave the program when they wish. The program is named in honor of Edmund J. James, U. I. president from 1906-1920.

Named to Dean's List

Linda J. Froemling, daughter of Mr. and Mrs. Albert N. Froemling, 41 Oaklawn drive, was named to the dean's list for the second semester at Lindenwood College, St. Charles, Mo., where she was a freshman. She is a graduate of Granite City high school.

SIU Students Earn \$3 Million in Jobs

About three million dollars was paid to Southern Illinois University students for work performed during the past fiscal year through the student work program.

Raymond P. DeJarnett, assistant director of the student work and financial assistance office, said 7000 students were employed at one time or another during the year.

DeJarnett said of the three million dollars, about \$360,000 was federal money.

In the last five years, the num-

ber of available jobs on SIU's campus at Carbondale has doubled. In 1961 there were about 2000 positions available and this year the number exceeded 4000. The assistant director attributed the increase to the growth during the university and the opening of new buildings.

Central Control System In Operation at SIU

The building custodian watching over the dials, switches and boilers that make his building warm in the winter, cool in the summer and light at night, may someday be history at Southern Illinois University at Carbondale.

Through the central utility control system, recently incorporated into SIU's physical plant, a duty engineer knows immediately when a malfunction occurs in the ventilating system of a classroom building a half mile away.

He can make periodic checks of steam pressures, water temperatures or air temperatures of the heating and air conditioning systems of any building linked to the central control console.

G. Don Shepherd, superintendent of utilities at Southern, said although the central control system may never be linked to all buildings receiving heat, light, water, natural gas and sewage hoses to see most of the major control.

Playground Program Winners Announced for Fourth Week

Weekly winners for the Park District playground program were announced today by Mrs. Helen Bjorkman, director of the youth activities. Tournament winners for the fourth week of summer competition are:

Webster — Susan Welty and Billy Nall (mide clothspin drop); Anna Soellner and Tiger Burris (midge bowling); Juliann Papp

structure's facilities tied into it. As each building is added to the central system, the need for having a full-time engineer on duty in that building is eliminated.

As superintendent of utilities, Shepherd has the responsibility to see that the 3.5 million square feet of floor space in SIU's 75 permanent and 200 temporary buildings receives heat, light, water, natural gas and sewage hoses to see most of the major control.

Marshall-Jane Kennedy (mide bottlecap toss) and Danny Coughron (mide clothspin drop); Sandra Black (midge jacks) and Harold Smith (midge bowling); Debbie Marks and Dennis Win Butler (pitch the bag); Gary gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

Salvation Army—Faith Den-nis and Theresa Ritter (bingo); Marilyn Wyatt, Gary North and Marilyn Mayes (bean bag); Vickie and Don Mayes, Theresa gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

Rotary Club Features Lawyer as Speaker

Paul L. Pratt, an Alton lawyer, was guest speaker at Tuesday afternoon's weekly luncheon meeting of the Granite City Rotary Club. Pratt gave a lawyer's viewpoint of accidents and personal injury lawsuits.

Business at the meeting concerned ads and sales for the upcoming Rotary horse show in August. Approximately one-half the goal has been met to date, with the drive to end July 15.

Marlin (clothspin drop); Maria Parico and Tommy Manogian (midge bowling); Mary Hult and Leonard Tayan (junior bowling); Logan-Sheila Hicks and Terry Derr (mide clothspin drop); Sheila Hunt and David May (midge bowling); Sherrie Wil-son and Jim Mank (junior bowling); Wilson-Rennie Bore and Glenn Schubert (mide clothspin drop); Carolyn Lucy (midge jacks) and Edwin Money-maker (midge marbles); Donna Cock-Rod Opnich (junior bowling).

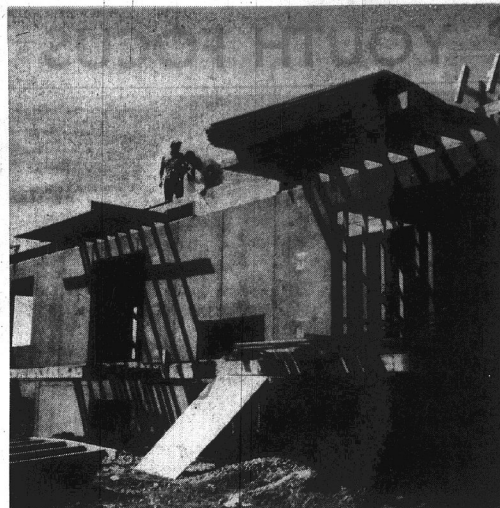

Salvation Army—Faith Den-nis and Theresa Ritter (bingo); Marilyn Wyatt, Gary North and Marilyn Mayes (bean bag); Vickie and Don Mayes, Theresa gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

Marshall-Jane Kennedy (mide bottlecap toss) and Danny Coughron (mide clothspin drop); Sandra Black (midge jacks) and Harold Smith (midge bowling); Debbie Marks and Dennis Win Butler (pitch the bag); Gary gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

Salvation Army—Faith Den-nis and Theresa Ritter (bingo); Marilyn Wyatt, Gary North and Marilyn Mayes (bean bag); Vickie and Don Mayes, Theresa gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

Marshall-Jane Kennedy (mide bottlecap toss) and Danny Coughron (mide clothspin drop); Sandra Black (midge jacks) and Harold Smith (midge bowling); Debbie Marks and Dennis Win Butler (pitch the bag); Gary gerter (junior bowling); McKinn North (good citizen of the ley—Carol Weber and Timmy week).

FRAMEWORK CONSTRUCTION to roof level has been erected for new apartment units being built at Briar Haven and Briar Wood by the Briarhill Development Co. The three units, each containing eleven one and two-bedroom apartments, will be of brick construction when complete. Completion date has not been fixed.

GC Township Bills Total \$4438

Township disbursements totaling \$4438 were approved by Granite City council members Tuesday night, and under city business, a half-month payroll of \$43,323 also was approved.

Of the \$4438 total for the township, \$2504 was for relief and \$1934 for town purposes.

The monthly financial report by Supervisor Nelson Haganaer showed a June 30 balance of \$54,014 in the relief fund after deducting May and June expenditures totaling \$10,962.

A balance of \$7838 in the town fund was reported for June 30, following receipt of tax anticipation warrant funds amounting to \$12,600. Disbursements in May and June totaled \$9997.

Major payments on the city bill list were—\$10,000 to National Disposal Service Co. for June garbage and trash pickups; \$37,281 paid to the city of Madison from motor fuel tax funds as the city's share of improvement cost for McCambridge avenue; \$1869 paid to Illinois Power Co. for street lighting; \$1485 paid to East St. Louis and Interurban Water Co. for fire hydrant rental; \$321 paid to Clarence Whitford for weed cutting; \$2826 paid to Tom Skerle for sidewalk, driveway and curb replacement and \$4281 paid to the Illinois Municipal Retirement Fund.

Stop Sign Charge Filed

Robert E. Lee, 2417 East 24th street, was charged with a stop sign violation at August and Kate streets at 1 p.m. Tuesday. He was summoned for a hearing by July 22.

—GO TO CHURCH SUNDAY—

Youth Arrested on Theft

Larry J. Huelt, 17, of 2202 Lee avenue, was arrested at 9 p.m. Tuesday at police headquarters on a charge of theft of under \$150 in connection with theft of lend from the National Lead Co. recently.

H. E. Huber President Of School Trustees

Homer E. Huber of Granite City was elected president of the Madison County Board of School Trustees in a regular meeting at the courthouse in Edwardsville Tuesday night. Huber will serve a two-year term. County School Supt. Wilbur R. L. Trimpe serves as ex-officio secretary of the board.

The board of seven members reorganized during the meeting, seating Willard G. Flagg and Dr. F. M. Leever for new six-year terms, and G. A. Shaffer for an unexpired three-year term. The three men were elected to the board in the June 14 primary election.

Members of the board are scheduled to meet next Tuesday night to consider detachment of an acre of land from Roxana district one and annexation of the plot to the Alton-Wood River high school district. The board determines boundary lines for school districts in the county.

Two Traffic Light Charges

Richard Lee Warren, Wood River, and Robert E. Tyler, Rural Route One, were arrested at 7:30 a.m. Wednesday on charges of passing a traffic light at Niedringhaus and Edison avenues. They were summoned for hearings by July 29 and 22 respectively.

McRaven Named Partner In Accounting Firm

Thomas G. McRaven has been admitted as a partner in the firm of Arthur Anderson and Company of St. Louis. The firm is an international organization of public accountants with total personnel of more than 500.

Upon graduation from Bradley University, Peoria, in 1956, McRaven was employed by the firm, and he will continue to be associated with the St. Louis office. He resides at 2621 Cleveland blvd., with his wife, the former Beverly Logan, and their three children, Scott, Michael and Susan. He is P son of Mr. and Mrs. Thomas H. McRaven, 2581 Iowa street.

Airman Seitzer Arrives From Language Institute

Airman Third Class Keith Seitzer, son of Mr. and Mrs. Donald Seitzer, 2306 East 25th street, is home on two-week leave from the Defense Language Institute at the Presidio of Monterey, Calif., where he is studying Czechoslovakian.

Airman Seitzer, 20, is a 1964 graduate of Granite City high school, and attended Southern Illinois University. He received his basic training at Lackland AFB, Texas. After finishing his studies in California in December he will be stationed in southern Germany for two years.

2682 Students Enrolled At Eastern This Summer

A record-breaking summer enrollment at Eastern Illinois University, Charleston, was announced today.

A total of 2682 students are enrolled in the undergraduate and graduate sessions, an increase of 119 over last summer's figure.

Mrs. Batson Receives Fashion Academy Award

Dr. Ira L. Thetford To Speak Here Sunday

Niedringhaus Memorial Methodist Church will have as guest minister on Sunday, in both of the morning worship services, Dr. Ira L. Thetford.

Dr. Thetford was the pastor of Niedringhaus Methodist Church for seven years, and now serves as district superintendent of the Harrisburg District. He will speak at 8:30 and 10:40 a.m. Anthems for the worship services will be sung by the youth choir at 8:30 and the church choir at 10:40 under the direction of Warren G. Simpkins, director of music. The evening worship service will be held in the air-conditioned Wesley Hall of the church at 7:30 p.m. The guest preacher will be the Rev. James L. Nettleton, minister of St. John's Methodist Church, Edwardsville. Rev. Nettleton also serves as chairman of the Conference Board of Evangelism for the Southern Illinois Conference.

Dog Bites Woman 91; Another Bites Boy, 11

Mrs. Jenny McConnell, 91, of 4183 Lake drive, was bitten on her right middle finger Tuesday by the family dog, which was frightened when she awakened bitten by a dog on the left knee.

U. S. Sen. Douglas to Speak At Demo Meeting Friday

U. S. Senator Paul H. Douglas will include Granite City in his current central Illinois campaign tour Friday with an appearance at a Democratic fish fry and political rally at the Namsok Village Shopping Center. Senator Douglas is scheduled to appear at the event at 8 p.m.

During his stops in Illinois counties during the past week, Douglas has stressed that the paramount issue in his re-election campaign is "which party can best keep the economy booming and Americans prospering." Douglas has campaigned on the premise that beginning with the Kennedy administration in 1961 and continuing through the Johnson administration, "our nation has enjoyed 66 months of uninterrupted prosperity — a matchless record."

The fish fry and rally at which Douglas will appear Friday night will begin at noon and will be sponsored by the Democratic Precinct Committeewomen's organization.

SOCIETY

LUTHERAN MISSION GUILD WILL MEET

A scheduled meeting of the Mission Guild for Lutheran Women will be held Monday, July 11, at Holy Cross Lutheran Church, Collinsville. Luncheon will be served at noon and local Lutheran women are invited to attend.

Mrs. Allen DeFoe, president, will conduct the session, beginning at 1 p.m. The guest speaker will be Mrs. William Wenger, a teacher at the Mamie O. Stonkey School for Retarded Children, in Belleville.

Miss Kathy Greene To Be Married

One of the early summer engagements just announced is that of Miss Kathy Greene, a daughter of Mr. and Mrs. Henry Greene of Route One, Mitchell, Ohio.

The bride-to-be has a Press-Record route which covers 62 miles in the Chain of Rocks area. Wedding plans have not been made as Pfc. Probasco left Tuesday evening for a year's tour of duty in Vietnam.

MISS KATHY GREENE, whose engagement to Pfc. Richard Probasco of Ohio, is announced by her parents, Mr. and Mrs. Henry Greene of Mitchell, Ohio.

Miss Steinhauser Is Engaged

Announcement has just been made of the engagement of Miss Claire Louise Steinhauser, a daughter of Mr. and Mrs. A. P. Steinhauser, 1615 Lindell Blvd., to Wayne L. Granger, whose parents are Mr. and Mrs. O. E. Granger of Kankakee, Ill.

Miss Steinhauser has completed two years study at Eastern Illinois University and is presently employed in St. Louis. Her fiancé was graduated from EIU and is now a manager trainee for Woolworth in Decatur. The wedding is scheduled for Oct. 8.

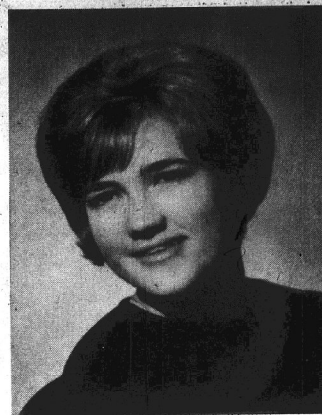

Former Resident To Be Married

Announcement has been made in New Mexico of the engagement of a former Granite Cityan, Miss Beverly Sorensen, and Robert Wayne Ohline of Socorro, a son of Mrs. Albert Ohline of St. Louis.

The news was disclosed by the parents of the bride-to-be, Mr. and Mrs. Kenneth R. Sorensen of Albuquerque.

A granddaughter of Mr. and Mrs. Fred F. Hulse, 1308 Eighteenth street, Miss Sorensen holds B. S. in Journalism from the University of New Mexico where she was editor of Mirage, campus yearbook, Mortar Board editor and secretary-treasurer of Theta Sigma Phi, women's journalism honorary. She is presently employed as director of the news bureau at New Mexico Institute of Mining and Technology in Socorro.

Her fiancé, who received a B.A. degree from Grinnell College in Iowa, and M.S. and Ph.D. degrees from Northwestern University, Evanston, is a chemistry professor at New Mexico Tech.

BETROTHED, Miss Claire Louise Steinhauser, whose parents, Mr. and Mrs. A. P. Steinhauser, 1615 Lindell Blvd., are announcing her engagement to Wayne Lee Granger, a son of Mr. and Mrs. O. E. Granger, Kankakee, Ill.

Trio Unit Hears Talk on Furniture

The major lesson, "Choose Your Wood Furniture 'Wise,'" was given by Mrs. Eugene Short and Mrs. Charles Buenger at a meeting of the Trio Unit of the Madison County Homemakers Extension Tuesday at Hope Lutheran Church. The lesson stressed types of wood, lines and care of today's furniture.

Mrs. Edward Graklanoff and Mrs. Elmer Neumann were hostesses, and 49 were present, including two guests, Mrs. F. J. Schilling of Hamel, and Miss Carol Stearns, Winona, Mo.

Mrs. Leonard Gertsch, 4-H chairman, announced local achievement day for the Merry Mitchellettes at Sunny Dell Acres July 11 at 2 p.m., and achievement night, July 13 at 8 p.m., at St. John United Church of Christ for the 58ers 4-H Club.

Four members volunteered to assist with the clothing sessions to be held by the county at Curran Homes in Alton Sept. 8, 16, 23, 30 and Oct. 7.

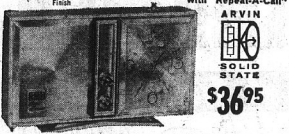

Prizes at Tuesday's meeting were won by Mrs. Charles Buenger and Mrs. Brave.

In Downtown Granite City OPEN MON., FRI. 'TIL 8:30 P.M.

BRIDE-TO-BE. Miss Susan Jean Douin, who is to be married to A 3/C Frank C. Bausch Jr., a son of Mrs. Frank C. Bausch, 1903 St. Clair avenue. The engagement is announced by her parents, Mr. and Mrs. Gerard B. Douin, 3123 Carlson avenue.

Fall Wedding Is Planned

One of the recent engagement announcements is that of Miss Susan Jean Douin, a daughter of Mr. and Mrs. Gerard B. Douin, 3123 Carlson avenue, and A3/C Frank C. Bausch Jr., a son of Mrs. Frank C. Bausch, 1903 St. Clair avenue, and the late Mr. Bausch.

Miss Douin, a 1964 graduate of Granite City high school, holds a secretarial position with a contracting company in Green Bay, Wis.

Airman Bausch was graduated from the Granite City high school and entered the Air Force last March. He is stationed at Rahn's Field in Everett, Wash., where meeting, it was voted by the he is receiving training as an air policeman. A fall wedding is planned.

Elkettes' Elkats Will Entertain

A monthly meeting of the Elkettes Tuesday evening was presided over by Mrs. Dorothy Cope.

Mrs. Marian Willaredt opened the meeting with prayer and a new member, Mrs. Oale Southwick, was initiated.

Plans were made to invite ladies of Unit 9 of the St. Louis organization to the September meeting when entertainment will be furnished by the Elkates Kitchen Band.

Casual dress will be the order of the evening for the August Field in Everett, Wash., where meeting, it was voted by the he is receiving training as an air policeman. A fall wedding is planned.

DeMolay Mothers Plan Trip

A monthly meeting of the DeMolay Mothers Club was held Tuesday evening at the Masonic Temple with Mrs. Marie Naevs, president, in charge.

The meeting opened with the pledge to the flag, followed by the discussion of business, including a trip to the Shriners Hospital for Crippled Children on Aug. 21.

Mrs. Beulah Johnson was welcomed as a new member; and after adjourning by repeating the Mothers Creed, refreshments were served by Mrs. Naevs and Mrs. Evelyn Ringering to 40 DeMolay's and their advisors.

Price Offers New Bill On Nuclear Indemnity

Cong. Melvin Price, (D, East St. Louis) has introduced in Congress a bill which would further enhance the protection to the public afforded by the Price-Anderson nuclear indemnity legislation, long considered one of the most important federal laws applicable to the rapidly expanding civilian atomic power industry.

On the same day last week that Price introduced his proposed legislation in the House of Representatives, he was lauded in the U.S. Senate for the work he has done over the years in the field of protecting atomic energy workers and the public against possible radiation hazards.

Sen. Clinton P. Anderson of New Mexico, a member and former chairman of the Joint Congressional Committee on Atomic Energy and chairman of the Senate Space Committee, took to the well the Senate's commend Cong. Price and his Subcommittee on Research, Development and Radiation for developing much of the legislation which led to promulgation of national radiation guides and to the recognition of the need for a Federal Radiation Council.

Anderson observed: "Much of the information developed and standards for radiation has come from hearings of that subcommittee. A great deal of credit should go to Cong. Price for bringing attention to the need for criteria and for the actual establishment of the radiation guides."

Aid to Peaceful Use of Atom
The legislation introduced by Price would amend the Price-Anderson Act, so-called in recognition of its sponsorship by the congressman and Senator Anderson.

The Act was enacted by Congress in 1957 to overcome the roadblock to private industry's participation in nuclear energy caused by the inability of the insurance industry to adequately insure companies desiring to enter this new field.

The act provides for a combination of private insurance and governmental indemnity amounting to a maximum of \$500 million to cover damages to the public arising from highly unlikely, although conceivable, serious nuclear accident.

Last year the Price-Anderson legislation was extended for another ten years, at which time Chet Hoffield (D, California), chairman of the Joint Committee on Atomic Energy, remarked that "it would be difficult indeed to overestimate the beneficial impact which this legislation has had upon the evolution of this country's civilian nuclear power program."

The new legislation proposed by Price would eliminate certain legal obstacles which claimants in some states might face if they were injured by a serious nuclear incident and attempted to recover from the fund established for this purpose.

The bill, developed with the cooperation of representatives of the private insurance industry, the nuclear industry and Atomic Energy Commission, would make it unnecessary for any such claimant to prove that someone's negligence was the cause of his injury or damage. It would also provide a longer period for asserting a claim than is presently allowed by the laws of many states.

Both of these factors could present formidable hurdles to a victim of a nuclear accident in some jurisdictions, it is felt.

Among other provisions of the proposed legislation is one which

would allow the AEC to establish coordinated procedures with the private nuclear liability insurance pools for prompt handling, investigation and settlement of claims arising out of a nuclear incident, and to make financial assistance available to claimants immediately following a nuclear incident without requiring claimants to sign a release or otherwise their claims.

Cong. Price believes this would assure that payments for such immediate necessities as food and shelter, medical expenses and the like would be made to claimants on an emergency basis during the interim period before final settlements of claims were made.

Immediately after introduction of this legislation, the Joint Atomic Energy Committee announced that hearings on Price's bill (H.R. 10819) will be held in mid-July. In making the announcement, Committee Chairman Hoffield said:

"The Price-Anderson Act promised the public that over \$500 million would be made available to pay legitimate claims in the extremely unlikely, though possible, event of a serious nuclear incident."

"The Joint Committee is determined that this promise shall not be an illusory one."

"It is the committee's intent that if a member of the public ever is injured by a serious nuclear incident, he will not be subjected to a series of substantive and procedural legal hurdles which would prevent the speedy satisfaction of his claim."

Returns from Kentucky
Stephen Konkovich, 2802 Dogwood drive, who is a representative for Charming Gas Products, returned from Elizabethtown, Ky., this week after a day's meeting with the Municipal Gas Co. and the city council.

They discussed planning stages for use of gaslights for street lighting.

Air Force Appointment
Donald E. Doyle, son of Mr. and Mrs. Franklin Smith, 1417 Norwood drive, has been recently appointed as Airman First Class by the U. S. Force.

Airman Doyle has been stationed at the 483 Air Force Squadron in Germany for the past three years.

GRANITE CITY JAYCEE OFFICERS installed for 1966-67. In the foreground are Paul Morris (left), director, and Floyd Peterson, state director. Seated (left to right) are David Walker, secretary; Herbert Siebert, first vice-president; Boyd Presley, president; James Jeffries, second vice-president; and Earl Warnhoff, treasurer. Standing (from the left) are Earl Dotzauer and Mike Day, directors; James Burton, board chairman; Bill Herbst, director; Dr. Larry Tadlock, sergeant-at-arms; Gerald McGivern, director; and James Watkins, chaplain.

R. L. McCartney Named To Double-Position

The National Headquarters of International Personnel Service in Detroit, Mich., announced this week the appointment of R. L. McCartney as persons in the present 24th Congressional District of Illinois.

McCartney, a past member of the Greater St. Louis Industrial Relations Club, has held responsible management positions in industry for the past 16 years.

This includes a nine-year stay with the Union Star & Refining Co. as manager of international operations.

Price Says 45,000 Eligible for Medicare

Congressman Melvin Price (D), East St. Louis, announced today that an estimated 45,000 persons in the present 24th Congressional District of Illinois are eligible for Medicare benefits under the Medicare program which began Friday. Almost all persons over 65 will be covered by hospital insurance, which will pay most of the cost of hospital services and certain other post-hospital expenses.

Congressman Price reported Medicare enrollment for medical care on a statewide basis, 90% of the persons in Illinois over 65 have enrolled for supplementary medical insurance under local plans.

Capt. James Snipes Completes Army Course

Army Capt. James T. Snipes, whose wife, Ada, lives in the 4100 block of Division street, has completed a 19-week associate infantry officer career course at the Army Infantry School, Fort Benning, Ga.

He received instruction in the duties of company and battalion commanders in infantry units. He was also trained in the responsibilities of battalion, brigade and division staff officers.

County May Net \$200,000 From 1966 Sales Taxes

The first \$200,000 year for unincorporated area sales taxes in Madison county is in prospect for 1966.

Fiscal quarter revenue for the county treasury from the half-cent-dollar tax totals \$44,185, an increase of 14% over the \$38,582 reported for the first three months of 1965. The past year broke all records with an aggregate figure of \$197,715.

Illinois Revenue Department 1966 records show \$13,674 received for January, \$13,253 for February and \$17,554 for March, each a new Madison county record for that particular month.

Since the tax went into effect in this county Oct. 1, 1959, the county has netted \$1,085,635. The \$1 million mark was passed in October 1965.

87 Counties Have Sales Tax
The state announced that collections in 87 counties grossed \$285,003 for January 1966 liability for January, \$281,699 for February and \$312,207 for March.

After deduction of administrative costs and protested and withheld taxes, net amounts certified for payment were \$375,993 for January, \$381,699 for February and \$412,207 for March.

The county retailers' occupation tax has been adopted by 87 counties, and 67 have passed ordinances under the county service occupation tax act, with 18 also adopting the county leasing occupation tax, the latter currently withheld pending a court decision on its validity.

\$20,000 Accident Suit

Saralee Allen has filed suit for \$20,000 against Claude Bowman of Granite City in circuit court at Edwardsville. She alleges injuries when a motorcycle operated by her husband, Ronald Allen, was struck as he was turning left into a driveway by an auto driven by Bowman on Chain of Rocks road east of Route 3 on June 6.

CHURCH CONVENTION

A number of members of the Church of God of Prophecy of Madison attended a four-day state convention held in Aurora through Sunday.

Those from this area attending were Rev. and Mrs. Dean Stevenson, Mr. and Mrs. Ray Woods, Mr. and Mrs. Virgil Wall and daughter, Phyllis, Mrs. Nina Payne, Rev. and Mrs. L. W. Crader and son, Larry, and guest, Miss Mable Dison of Nashville, Tenn. Rev. and Mrs. Ken Bees and children, Mr. and Mrs. Ivan Cowin and family, Chucky Barritt and Rev. and Mrs. Alton Sweeney.

ANGELA GRUPAS MARKS SECOND BIRTHDAY

Angela Grupas was the honored guest at a party Monday afternoon observing her second birthday.

The party was given by her mother, Mrs. Connie Grupas, and

grandmother, Mrs. Rudolph Majkut, at the Grupas home, 1827 Edwardsville road.

The patio of the home was decorated with balloons and streamers. Movies were taken throughout the afternoon. A large sheetcake topped with a "woman in the shoe" theme, centered the refreshment table.

Each boy and girl was presented with a prize. Games were played.

Attending were Joy, Marsha, Tina and Tracy Pruitt, Mary Helen, McCunney, Mary Ann, Rose Mary and Susan Krawicki, daughter, Phyllis, Mrs. Nina Payne, Rev. and Mrs. L. W. Crader and son, Larry, and guest, Miss Mable Dison of Nashville, Tenn. Rev. and Mrs. Ken Bees and children, Mr. and Mrs. Ivan Cowin and family, Chucky Barritt and Rev. and Mrs. Alton Sweeney.

The hostess was assisted by Mrs. Scherrills, Miss Stima, and Mrs. Rudolph Majkut. Gifts were opened.

By Press-Record Staff Photographer

City Urges Rush to Get S. Nameoki Road Right-of-Way

Granite City council members urged a speed up of right-of-way acquisition for the south section engineer, that his department needs copies of sewer and street closure ordinances required by the city for the construction of Federal Aid Route 151. The list of his fees totaling \$400, in-cluding \$2 at \$50, two at \$70, two at \$75 and one at \$100.

The fee list was referred to the city attorney and comptroller to review with the negotiator with instructions that the talks with property owners be started immediately.

Permission was given Henry W. Ross Construction Co. to proceed with a sewer tap-on in the middle of the street in the 1500 block of Johnson road, a few hundred feet off Nameoki road, with a restriction of three days for barricading half the street.

Alderman Sternberg, chairman of the Street committee, said the proposal of last week for the work to be done when the Nameoki-Johnson-Fehling road intersection could not be worked out, since General Contracting Co. does not plan to close it entirely in the near future.

He recommended that the sewer connection for the new Kentucky Fried Chicken drive-in could be done in one day, and that two days would be required for repaving the excavation with concrete.

The Street committee also was asked to confer with Granite City

Steel Co. and East St. Louis & three feet higher than adjacent Interurban Water Co. on con- tinued damage to water lines under Quincy street. Alderman Dallas said heavy construction equipment and materials are be- ing moved over the street again, and that he saw one load that was at least 20 tons.

Additional requests by Alderman Johnson were for the Street committee to solve an oozing oil condition on Woodlawn avenue and for the mayor to notify the Real Estate Board that appraisal prices are still wanted for the right-of-way needed for widening

Wabash avenue at Johnson road. He asked the city attorney and engineer to investigate protrud- ing, oversized manholes on private property at 2617 Lynch ave- nue, constructed to serve the new apartment buildings. Under con- struction at Harvey Place. He first called for the apartment construction to be shut down by the city pending the study to de- termine if the manholes were off the easement, but then withdrew that motion.

Johnson said the property sur- rounding the apartments is about

SEE THE MAN WHO CAN SAVE YOU THE MOST
YOUR CHEVROLET DEALER

Left to right: Corvair Monza Sport Coupe, Chevy II Nova 4-Door Sedan, Chevrolet Malibu Sport Coupe and Chevrolet Impala Convertible. Each comes with an outside rearview mirror and seven other standard features for your added safety. Always check your mirror before you pass.

That's the beauty of buying America's most popular make of car—especially right now when summer savings are extra tempting. It just makes sense that you're going to save in a big way by seeing the man who's doing business in a big way. So go see what your Chevrolet dealer can save you right now on a luxurious new Chevrolet, a racy Chevrolet, trusty Chevy II or sporty Corvair. This year's cars by Chevrolet are the most. And right now—so are the savings.

Three Revocations, Nine Suspensions Of Driver Licenses

Driver's licenses of three Granite City motorists were revoked and nine others in the area were suspended by Paul Powell, secretary of state.

Revoked for driving while intoxicated were licenses of Henry P. Baker, 2201 Orville avenue; John D. Crider, Rural Route One; and Daniel M. Kelly, 2012 Buxton avenue.

Suspended for three moving violations were licenses of Durba L. Cline Jr., 2941 Madison avenue; William E. Blakeley, 122 Roosevelt drive, Madison; Gene K. Frazer, 2003 Denver street; David D. Garrison, 4229 Walter avenue; George D. Hurst, 2520 Pershing avenue; John M. McGrath, 2383 Wayne avenue; James M. Myrick, Rural Route One; and William F. Tate, 1838 Spruce street.

Suspended for driving while his license or permit was revoked or suspended was Robert Barnhart, 2832 Denver street.

Fred Cunningham Sr., 79, Dies; Ill 7 Months

Fred J. Cunningham sr., 79, of 1706 Gartfield avenue, died Tuesday at 7 p.m. at the Madison County Nursing Home, Edwardsville. He had been ill for seven months and a patient at the nursing home for five months.

Mr. Cunningham is the father of Miss Evelyn Cunningham, who is a regional consultant nurse in Springfield where she is a liaison for the Public Health Department in 28 Illinois counties. His son, Fred Cunningham Jr., is office manager of the Illinois Power plant in Granite City.

Born in Green county, Ill., Mr. Cunningham resided here 42 years. He was an auto mechanic in the area until his retirement 20 years ago, and was a member of St. Elizabeth's Catholic Church.

Other survivors are his wife, Mrs. Bertha Cunningham; two other daughters, Mrs. Elwood (Mary Lou) Conroy, Rochester, N. Y., and Mrs. Margaret Slay, Granite City; a brother, George Cunningham; and two sons, Mrs. Margaret Seimer and Mrs. Philip (Theresa) Cronin, all of Carrolton, Ill.; 10 grandchildren and four great-grandchildren.

Funeral arrangements appear in today's obituary column.

E. St. Louis, Dies

Mrs. Veronica Schreiber, 74, of East St. Louis, mother of a Granite Cityan, died at 11 p.m. Monday at St. Mary's Hospital in East St. Louis where she had been a patient for a week. Funeral services were held this morning at St. Patrick Church, of which she was a member.

Surviving are her husband, Fred R. Schreiber, two daughters, two sons, one of whom is Robert J. Schreiber of 1009 Ferguson avenue, Granite City; a sister, 13 grandchildren and five great-grandchildren.

Coin Club Auction

President Ruffin Ames will preside at a Land of Lincoln coin club meeting and auction planned for 1 to 5 p.m. Sunday at the YMCA.

Council Committee to Study All Sewer, Drainage Problems

A resolution outlining duties for the new Special Sewer committee, headed by Alderman Sternberg, was given unanimous approval Tuesday night by Granite City council members. Others on the committee are Aldermen Moertlein and Bartoski.

Prime purpose of the group will be to find methods of solving city sewer problems—both sanitary and drainage—and to determine methods of financing. Special emphasis is to be given on getting data on availability of state and federal tax fund grants and the possible need for a referendum to raise funds locally.

The city currently has an application filed with the federal

government for a grant of federal tax funds to provide sanitary and storm water sewer lines in the North Granite area, and also for a start on separate collection of the city's present combined sanitary and storm water sewers.

Council members still are hopeful the city's application will receive approval at Washington. To be prepared for the possibility of a bond issue vote to finance the city's share of what could be up to a \$10,000,000 sewer program, an additional \$5000 is being included in the new budget for a special election.

Under the resolution giving duties of the committee, the members were instructed to explore all possibilities to retain state and federal funds for sewer construction and improvement. They also are to study the city's need for sanitary sewers in areas unserved and for improvement of the overall sewer system.

Mrs. Kennedy Expected To Succeed Late Husband

Mrs. Stephen B. Kennedy, widow of the Alton township supervisor who died last Thursday of a heart attack, is expected to succeed her husband for the duration of his term which expires in April 1967.

The appointment is to be made by the Alton city council serving as the township board of auditors. Her husband had received the Democratic nomination for Madison county treasurer in the June primary election, but she said she was not interested in seeking that position.

Communion on Sunday At 1st Church of Christ

Communion will be observed Sunday at First Church of Christ, Scientist, 2650 Delmar avenue, as well as in all Christian Science Churches.

"Sacrament" is the subject of the lesson-sermon. The service occurs twice each year, and is altered from each Sunday's to include reading of the church texts and a period for kneeling in silent communion. This followed by a second repetition of the Lord's Prayer, which is an integral part of the opening for all Christian Science services.

Madison Interact Club Begins Active Program

The Interact boys' club sponsored by the Madison Rotary club has carried out several successful fund-raising projects and is taking part in a variety of activities, including a swimming party yesterday afternoon.

Dr. J. E. West reported to the Rotarians Wednesday. The teenage group is composed of Madison high school students.

Mayor Stephen Macraes was honored on his birthday, and briefly discussed the Madison diamond jubilee which ended Monday. He said he is proud of the observance, and noted that the jubilee parade was one of the largest ever held in this area.

The Rotary club voted to continue sponsoring a boys' baseball team in the Madison-Venice Khoury League.

Joseph Norris Family Adopts Daughter

Mr. and Mrs. Joseph Norris, 2432 Kilarney drive, are announcing the adoption of their second child, a daughter, whom they have named Sherry Michele.

They also have an adopted son, Gregory Joseph, two years old. The father is employed by the Emerson Electric Co., St. Louis.

Mrs. Norris is proprietor of a local beauty shop.

Sky Rocket in Doors

David Crews, 23 Oaklawn drive, reported Tuesday that a skyrocket was fired through his rear storm door and inner door glass and into the family room of his home Monday night.

Coolidge School Entered

Entry was made into Coolidge junior high school Monday by breaking a plate glass pane, it was reported on Tuesday. Nothing was missing, but desk drawers were opened.

Sugar Poured in Tank

Odel Flannigan, Apt. B, 2200 Iowa street, reported at 7:40 p.m. Tuesday that during the night vandals poured sugar in pickup truck parked at his home.

HAROLD SCHELLENGER

Schellenger Appointed Divisional Director

Harold Schellenger, a local re-sident, has been appointed di-rector of security agents in the southern division of Illinois, it has been announced by Vice-President Robert Dyer of Bur-kenstein Investments Corp. of America at the home office in Moline.

Schellenger was formerly with Western Life Insurance Co. as regional supervisor and is a member of Granite City Elks Lodge 1063. He attends Peace Lutheran Church and takes part in civic activities. He is married and lives at 25 Westgate drive in Lakeview Estates with his wife, Harold, 10, Twyla, nine, and Waldo, seven.

Rose Spalding, 4027 Garden; Joyce Thomason, 2019 Lee; Bre-Donithan, 2210 Madison.

\$179,000 Spent On Transporting Students in GC

Transportation in the Granite City school system cost \$179,286 for the 1965-66 school year, an annual report disclosed today.

Average for 178 days was \$1,007 a day. Costs totaled \$346 in August, \$30,809 in September, \$18,773 in October, \$18,263 in November, \$16,216 in December, \$21,423 in January, \$19,888 in February, \$22,563 in March, \$17,159 in April, \$22,522 in May and \$1938 in June.

A breakdown of the \$179,286 total lists \$39,756 spent for high school pupil transportation, \$54,943 junior high, \$61,455 elemen-tary, \$11,780 educable and train-able handicapped children, \$3752 high school athletics, \$2820 junior edu-cation, \$86 high school special trips, \$739 junior high special trips and \$965 grade school special trips.

Veterans Reminded to Report Income Increases

Local service officer of the Il-linois Veterans' Commission, Joseph D. Wetton, reminds vet-erans and widows to report any increase in their income. Failure to report income increase may cause the pension to be curtailed by the Veterans' Administration. Receipts of income increases could originate from inheritance, stocks, bonds, wages and Social Security benefits. Such dividends can be reported to Wetton at the city hall Monday through Friday from 8:30 a.m. to 4:30 p.m.

Boushard on Vietnam 'Copter for Wounded

Specialist-fourth Thomas E. Boushard, son of Mr. and Mrs. C. E. Boushard, 115 Hampton street, Venice, is serving as a crewman on a helicopter used to rush servicemen wounded in Vietnam to the Repose, a hos-pital ship.

The Repose is stationed along the coast of Vietnam and re-mains as close to the fields of battle as possible. Medical of-ficers and crewmen take charge of those wounded in combat as soon as the helicopters touch down on a landing pad on the deck of the ship.

His helicopter is based at the Soc Trang U. S. Army helicopter airfield 100 miles southwest of Saigon in Ba Xuyen Province. The base recently was shelled by Viet Cong guerrillas with re-coiless rifle fire.

Completes Basic Training

Pat James Burton, a son of Mr. and Mrs. Leroy Burton, 238 Edison avenue, has just com-pleted six weeks basic training at Camp Pendleton, Calif., and is now beginning two weeks special training there.
